Prison Rape Elimination Act (PREA Information)

The Oregon Department of Corrections (ODOC) has a zero tolerance policy for sexual abuse, sexual harassment and for retaliation for reporting an incident. You may report in person to any staff, through an inmate communication, through the grievance system, by calling the PREA hotline by dialing 9 from any inmate phone.

Filing an Anonymous PREA Report

If you are uneasy about filing a PREA allegation, you may file an anonymous report with an outside agency.

You may write to:

Governor's Office of Constituent Services
900 Court Street NE, Suite 160
Salem, Oregon 97301

Please indicate in the beginning of your letter you are filing a PREA allegation and you are requesting to remain anonymous. The Governor's Office will refer all anonymous allegations to the DOC PREA Coordinator to assure an investigation is completed based off the information that is provided.

Community-Based PREA Advocacy (Support) Program

ODOC has partnered with community based, confidential advocates of sexual abuse victims to provide services to inmates.

Inmates at ODOC who have experienced sexual abuse may reach a community-based advocate by dialing 711 inmate telephone systems, or may request a private call through the PREA Compliance Manager at the facility. Advocates provide victims of sexual abuse information about their options, resources, information and emotional support. There is no charge for calls to advocates.

Role of an Advocate:

- Provide confidential support and crisis intervention
- Inform you about the investigation and medical examination process
- Educate you about healing from sexual abuse
- Offer resources and referrals

Advocates will:

- Not tell you what to do
- Not communicate with the institution unless you request them to do so and sign a release
- Not provide legal advice

DOC is committed to providing inmates with avenues to seek assistance. Below are additional resources:

Just Detention International Headquarters
3325 Wilshire Blvd., Suite 340
Los Angeles, CA 90010

The community-based advocacy crisis line is for individuals needing assistance coping with sexual abuse related issues and should not be used for other purposes.

Telephone calls and mail with community-based advocacy centers is considered privileged communication and will be handled similar to legal calls/official mail.

If you have any other questions regarding PREA, you may ask any staff member, write the PREA Compliance Manager at your institution, or you may write:

E. Sage, PREA Coordinator
Oregon Department of Corrections
2575 Center St. NE
Salem, Oregon 97301

National Asian & Pacific Islander HIV/Aids Awareness day

National Asian & Pacific Islander HIV/AIDS Awareness Day is May 19. It was first observed in 2005. The theme for the 2016 observance is *"Saving face can't make you safe". Talk about HIV*

Help end HIV stigma in the Asian & Pacific Islander Community

Being silent about HIV can contribute to HIV infections. HIV stigma hurts individuals and the community as a whole. People are discriminated against, disowned from families, and fired from jobs. But by understanding its cause and listening to others' experiences, we can help end HIV stigma through knowledge and action.

It all starts with talking about HIV and listening with compassion. The more knowledge you have about HIV stigma, the easier you can prevent it and help those who are living with HIV. Join us in empowering each other to build a healthier community.

We are all affected by HIV. You can stop HIV stigma by learning the facts, speaking up, and sharing our stories. Can you see yourself in this cycle?

**Testing for HIV in ODOC is FREE
