## DEER PRINTS – PRO SOCIAL

### Deer Prints Newsletter Pro Social update

Pro Social is also excited to begin to fill in the beautiful tree mural (named the "Positive Affirmation Tree") in the dining hall with leaves. The theme; words of motivation, empowerment, inspiration and/or encouragement. Due to the size of the leaves we are using, only one word will fit– so make it a good one! We will be circulating slips of paper to fill out during activity night and in the units so that you can submit them in the Pro Social box on your unit. The box is the same one you use for gratitude slips with the wooden lid next to the bulletin board. The slips will be collected and leaves will be hung in a timely fashion.

We are excited to hear from you all and thank you for your participation!

As of January 22, 2019 there will be signs on designated tables in the dining hall for inmates currently on LOP; as direction to where they need to sit during meal times. It will be at the Dining Room Officer's discretion to which tables assigned. It is up to the inmates on LOP to know where the signs are for each meal time.
