

Hey Everyone,

Well we had about 85-100 men come to our "Release Fair" event at the end of April! Great to see good and new information swirling about the prison. Most of these types of events have far reaching outcomes, with information being shared for months to come. So thank you to all who came and shared all that is available in the great communities of Oregon! You guys rock! We are gearing up for our next big event in July, our first ever "Mock Release" this is really going to open up some folks eyes as to the realities of release. Of course, we'll have pics!

As summer approaches I hope you all have a great time and thanks again for all of your commitment to the men of OSP.

**All my best,**

Kyle
