PROPERTY:

We are fast approaching the goal of reducing excessive adult in custody (AIC) property. SRCI’s AIC population will have to be compliant with the AIC property rule by 7/1/2022. The AIC property rule, AIC handbooks, and the Fire Marshal agreement all have one commonality: “AIC property shall not exceed the capacity of storage space located in the AIC’s assigned housing area and designated by the functional unit manager/designee”. For those of you housed in Special Housing and unable to access the majority of your property, you will be expected to reduce any excessive property upon your release from SHU. In the event you are sent on Transport, you will only be allowed to transport two totes of property with you. This is a statewide initiative being instituted at all ODOC facilities. We appreciate your understanding and willingness to work with staff through this process.
