The Journal of Women and Criminal Justice Seeks Submissions

The Journal of Women and Criminal Justice is a national publication of justice-involved persons and advocates' art and writing. We humbly ask that interested persons submit to *The Journal of Women and Criminal Justice* by June 30, 2022.

The Summer 2022 edition of *The Journal of Women and Criminal Justice* will focus on mass incarceration. What does it look like? How does it feel, both to justice-involved and to justice-impacted people? What are the causes and effects of mass incarceration? How can we end mass incarceration?

Submission Guidelines:

- We welcome visual art submissions from across the United States and beyond.
- You may submit as many pieces as you would like. We ask that you title your submission(s).
- You may submit using your name, your artist name, or without a name.
- If you are willing and able, we ask you include a brief biography and photo. If you have been incarcerated and are comfortable

sharing, we also ask that you state where you were or are incarcerated.

- If you mention anyone specifically by name, please first ask their permission or, if that is not possible, use another name. Please change or limit details which might identify persons mentioned in your work.

Please mail your entry to:

New Jersey Reentry Corporation
ATTN: *The Journal of Women and Criminal Justice*
591 Summit Ave. STE 605B
Jersey City, NJ 07306

In your cover letter, please state how you found out about *The Journal of Women and Criminal Justice* and if any organizations or individuals assisted you.

Visual Art Guidelines:

- We accept art submissions in any medium (photography, drawing, printmaking, painting, etc.)
- Art sent via email should be submitted in PDF, JPG, or PNG format. We ask that photo submissions be of high resolution (at least 800px).

AIC Property Compliance Mandate

The Deputy State Fire Marshal mandates the Department of Corrections (DOC) is compliant with the rules for AIC property in all housing units. *Which means DOC must limit the amount of AIC personal property in accordance with Oregon Fire Code.*

In short – each AIC has a certain amount of space in their housing area based on the design of their current location's housing unit. The thing to remember is – per the standards/law – **it's not about the type of property; it's about the amount of property.**

The statewide property workgroup team and your facility's management teams are all working together to meet the standards while having as little impact as possible on the AIC population.

DOC is currently in the middle of a project to remove the bulk of excess property such as books, magazines, clothing, etc. Legal paperwork is not included in bulk property and we ask you do not change any processes for legal paperwork at this time. We are reviewing our legal property reduction strategy with the Oregon Department of Justice to ensure there is no disruption to an AIC's legal material needs on active cases.

We appreciate your patience and understanding as we work to meet the Fire Marshal's mandates.

For your reference, the rules/laws related to AIC property are:

- Oregon Fire Code Section 808
- Life Safety Code (NFPA 101) Section 23.7.2
- Standard Operating Guideline P-25
- AIC Handbooks
- ORS - OAR 291-117-0070 - Inmate Property (General)
“Property Limit: Inmate property shall not exceed the capacity of storage space located in the inmate's assigned housing area and designated by the functional unit manager/designee for the storage of inmate personal property.”

Road to Success

What is RTOS?

The *Road to Success (RTOS)* program is in place to help AICs with 120 days or less prepare for their release. It consists of five components: 1) Employment 2) Working effectively with your Parole Officer 3) Your family, Your Community, and Your release. 4) Money management 5) Tenant Education. All of the classes are voluntary, and you will have the chance to sign up when doing the RTOS assessment (see below).

How does it work?

At about 6 months to release RTOS will send an assessment packet to you. You will answer and return the assessment sheet and begin the process of being scheduled for classes. Classes start approximately 2 months or less to release.

“Super Star” status is earned by taking all 5 of the available transition classes. Take advantage of any or all of the classes that will help you upon re-entry. This curriculum works in conjunction with current programs and courses you may already be taking. AICs will also have the opportunity to work one-on-one with transition staff to set up an individual transition plan for release. Be sure to take advantage of every program to ensure your success!

Open Office Hours

Minimum Programs Building D-17 Tuesdays: 8:00am – 10am.

Rotary

Rotary Sponsors Back-to-School Event at CCCF for Moms in the Minimum and Medium

Coffee Creek and the Rotary Club of Wilsonville are in the planning stages of a special back-to-school events for moms and kiddos. Using funds raised over the last few years for TACE, the Rotary's purchasing school supplies for kids aged kindergarten through 12th grade!

Moms will be able to shop with or for the school-aged children in early August (tentative dates are August 13th and 14th).

What do you mean, "with or for?"

For those families who can travel to Coffee Creek, moms will shop with the children for a new book bag/backpack to fill with all the required school supplies; items include function calculators for older kids, pencils, Kleenex, hand sanitizer, and other items typically found on a district school supply list.

If your kids can't come to Coffee Creek, you will be invited to shop for your kids and Rotary will mail the new book bag/backpack and school supplies to them.

The best part is...all the items at the Rotary school supply store are free to you and your kids! In addition, Wilsonville Rotary is making a donation to the School of Cosmetology and you can go with your kiddos to get a free back-to-school haircut!

What about the care givers? The plan is to treat them to the "Caregiver Café" and allow them to enjoy coffee, iced tea, lemonade, pastries, and dome down time while you and your kids shop and style.

Again, we are in the planning stages so details may

change. Medium Moms and kids will likely be on Sunday, and Minimum moms and kids scheduled for Saturday.

What do we need from you to help us and Rotary plan? Please send a kytic listing the following information to Ms. Popoff in CRU:

- Names and ages of your kids on your approved visiting list (this is not open to all children on your visiting list, only your children)
- Will a caregiver be able to bring your kid(s) to the event?

This is just the first of several activities we are planning with the Rotary Club of Wilsonville so stay tuned for more to come...

Articles Too Great Not to Reprint

Is your child 5 years old (pre-kindergarten) or younger?

Does your child live within one hour of CCCF?

Is your caregiver able to transport your child to CCCF?

Are you available Tuesday and Thursday mornings?

Are you minimum eligible?

You may qualify to participate in Head Start, a program focusing on strengthening the mother/ child bond during incarceration. Head Start provides comprehensive early childhood education, health and nutrition information to families.

If interested, please send a kytic to Head Start.

PREA INFORMATION

From: DOC

The PREA advocacy agency for CCCF and CCCM is the Center for Hope and Safety.

Center For Hope and Safety

605 Center Street NE

Salem, OR 97301

866-399-7722

It is normal for people who experience sexual abuse to feel overwhelmed and have a lot of questions about their options. No one deserves to be sexually abused. It is not your fault. Surviving and healing are possible.

AICs who have experienced sexual abuse can reach a community-based advocate by dialing "711" from

the AIC telephone system. Community-based advocates provide survivors of sexual abuse information about their options, resources, information, and emotional support. Calls to "711" are confidential and free of charge.

Advocate's role

- Provide over-the-phone confidential support and crisis intervention related to sexual abuse
- Talk with a survivor about their current and ongoing safety
- Explain reporting options available through PREA
- Support survivor at a sexual assault forensic medical examination
- Support survivor at an investigatory interview related to sexual abuse, as requested
- Educate/teach survivor coping skills for healing from sexual abuse
- Provide resources and referrals
- Provide follow-up support

An Advocate Does Not

- Make decisions or tell a survivor what to do
- Tell a survivor whether to report
- Investigate a crime
- Provide legal advice
- Be a survivor's friend
 - Provide therapy
- Communicate with the institution unless the survivor requests them to and only with a signed, limited release of information

Community-based advocacy centers provide sexual abuse support to people of all genders. Community-based advocates will not report the sexual abuse unless you request them to and only if you sign a release of information.

Advocacy crisis lines are not reporting hotlines. To file a report, contact the Inspector General Hotline by dialing "9" on the AIC telephone system, writing an AIC communication (kytic), filing a grievance, or writing the

Governor's Office at State Capitol, Room 160,
900 Court Street, Salem, OR 97301.

DOC is committed to providing AICs with avenues to seek assistance. Below are additional resources:

Just Detention International Headquarters

3325 Wilshire Blvd., Suite 340
Los Angeles, CA 90010

DOC PREA Advocate Coordinator

Oregon Department of Corrections
3723 Fairview Industrial Drive SE, Suite 200
Salem, Oregon 97302

The community-based advocacy crisis line is for individuals needing assistance coping with sexual abuse related issues and is not to be used for other purposes. Contacting an advocate for anything other than services related directly to coping with sexual abuse takes away valuable resources for sexual assault survivors who need an advocate's help. Telephone calls and mail to community-based advocacy centers are considered privileged, confidential communication and will be handled in the same manner as legal calls and official mail.

You may reach your community-based advocate by dialing "711" from the AIC telephone, dialing their direct crisis line number, or sending written correspondence.

Survicide Prevention Fundraiser and Walk

The 'Walk into the Light' suicide education team wants to everyone to be aware of our upcoming events. A fundraiser will begin on May 22, 2022 and run until June 10, 2022 in both the Medium and Minimum. The fundraiser raises funds for the American Foundation of Suicide Prevention (AFSP) and sponsor our second 'Out of the Darkness' suicide prevention walk, scheduled on

the medium side on July 9th. AFSP is dedicated to saving lives and bringing hope to those affected by suicide. AFSP creates a culture that's smart about mental health by engaging the following core strategies:

- Funding scientific research
- Educating the public about mental health and suicide prevention
- Advocating for public policies in mental health and suicide prevention
- Supporting survivors of suicide loss and those affected by suicide

(www.afsp.org)

The deadline for our fundraiser will be June 10th, no exceptions

Items for sale:

Clear Water Bottles (24 oz.)	\$7.00
Clear Shaker Bottle (20 oz.)	\$9.00
Microfiber Cloth	\$9.00
Blue Bracelet	\$1.00

You may only order one of each item. Receipts and these items will be placed on your property list.

Depression and suicide affect us all. Our goal is not only to raise funds; it is to educate and raise awareness. Statistics show there is a higher rate of suicide attempts from those living in prison, formerly incarcerated persons, and current and former staff working in prisons

In 2019 CCCF, was the first prison housing women in the nation to sponsor an 'Out of the Darkness' walk. After a two-year absence due to COVID-19 protocols and guidelines, we are pleased to host the second 'Out of the Darkness Walk" at CCCF. The walk is open to all AICs, staff, volunteers, and contractors at CCCF.

Prior to the walk, there will be an educational presentation, "Talk Saves Lives," produced by

the AFSP, in the Chapel. If you are on LOP or a cell-in, you cannot participate in the walk or the presentation.

Information and order forms will be available on every unit. If you choose to not participate in the fundraiser and would like to make a donation, you may do so. If you participate in the fundraiser and would like to contribute more than the fundraiser allows, you may do that as well. Even a \$1.00 makes a difference!

Send **CD28s for donations and the fundraiser** to Lifeskills. Please make them out to the **American Foundation of Suicide Prevention.**

Another way to raise funds is to have your friends and families sponsor you at the walk; they can do this by going to the link:

<Https://bit.ly/CoffeeCreekCF>

Our emphasis is to bring us together in unity ***out of the darkness to walk into the light*** for this cause.

Thank you for your support.
