IN-CELL PROPERTY - - - - -

As many of you know, Oregon DOC is tightening up on the amount of property you are allowed to have in your cell to match both the AIC handbook and the AIC property rule that have been in place for many years. An abundance of property violated the fire code, and we are being directed by the Oregon State Fire Marshall to come into compliance with the rule no later than July 1, 2022. Please work with staff over the next month to reduce your property and come into compliance. If you are in need of an AIC handbook, please reach out to your Complex Sergeants and Lieutenants. I know this is not an ideal situation for many of you, but it is vital we follow the Fire Marshall's directive. **Thank you, Captain Kile**
