## WINNING WORDS:

"Approach the New Year with resolve to find the opportunities hidden in each new day."

— Michael Josephson

Stay Positive  
Work Hard  
Make It Happen

Every year, millions of people make New Year's resolutions, hoping to spark positive change. The reoccurring themes each year include a more active approach to health and fitness, improved finances, and learning new things for personal and professional development. Chances are, more than a couple of the top 10 most common resolutions will look familiar to you:

1. Exercise more
2. Lose Weight
3. Get organized
4. Learn a new skill or hobby
5. Live life to the fullest
6. Save more money/spend less money
7. Quit smoking
8. Spend more time with family and friends
9. Travel more
10. Read more

However, once the flow of a fresh new year wears off, many people struggle to make good on their plans. According to a study published in the Journal of Clinical Psychology, only 46% of people who made New Year's resolutions were successful. That means over half of the peo-

ple who set a goal for the new year will fail!

Naturally, we don't want to be in the camp of folks that fail to achieve their aspirations and dreams for 2023, so we've put together a list for following through on your resolution that will surely help you stan on track.

If you want to realize your New Year's resolution this year, follow these 10 steps:

1. Mentally prepare for change
2. Set a goal that motivates you
3. Limit resolutions to a manageable amount
4. Be specific
5. Break up big goals into smaller goals
6. Write down your goals
7. Share your resolution with others
8. Automate where possible
9. Review your resolution regularly
10. If you fall off track, get back on quick

The next year does not have to be a big extravagant changes for everyone. Start small and stay focused, and you will be pleased with the changes you are capable of!

To: All Adults in Custody

Date: November 30, 2022

This month Oregon voters passed Ballot Measure (BM) 112, which amends Article 1, Section 34 of the Oregon Constitution. BM 112 removes language from Oregon's Constitution that permitted the state to impose involuntary servitude as a punishment for persons convicted of crime. Passage of BM 112 does not change the constitutional requirement that adults in custody (AICs) work, and it does not entitle AICs to minimum wage. Adults in custody are still required under Article 1, Section 41 of the Oregon Constitution to actively engage in full-time work or on-the-job training, which may include education.

Para: Todos los adultos bajo custodia

Fecha: 30 de noviembre de 2022

Este mes, los votantes de Oregón aprobaron la Medida electoral (BM) 112, que modifica el Artículo 1, Sección 34 de la Constitución de Oregón. BM 112 elimina el lenguaje de la Constitución de Oregón que permitía al estado imponer la servidumbre involuntaria como castigo para las personas condenadas por un delito.

La aprobación de la BM 112 no cambia el requisito constitucional de que los adultos bajo custodia (AIC) trabajen, y no da derecho a los AIC al salario mínimo. Los adultos bajo custodia todavía están obligados bajo el Artículo 1, Sección 41 de la Constitución de Oregón a participar activamente en un trabajo de tiempo completo o capacitación en el trabajo, que puede incluir educación.

## ***2022 Taxes & Forms***

- DOC will not be providing Adults in Custody (AICs) with tax forms.
- It is recommended that AICs obtain appropriate tax forms (*IRS Form 1040 / Oregon Form OR-40, etc.*) and instructions from a trusted source outside of the institution.
- AICs will need to use their own pre-addressed, postage paid envelope(s).
- AICs may appoint a qualified and trusted person as their power of attorney (POA) to assist with the tax filing process. POA forms can be obtained by submitting a Library Request form (CD1714).
- Department staff may not provide tax advice to AICs.

## ***A Trip to Paradise***

I'm writing on the topic entitled *A Trip to Paradise* and I'm using it as a metaphor to 2023. Paradise for me can be found somewhere in the Pacific Islands. The temperature is 85 degrees. It's warm and tropical and beautiful. Lots of islands and water everywhere! Here's the deal—nobody goes there by accident. You don't just wake up in paradise.

Now, I'm not talking about geography, I'm using paradise as a metaphor for your life and future. It's the place of God's favor in your life. It's your place of dreams come true. Your heaven on earth.

It's what you see for your marriage, it's what you see for your family, it's what you see for your kids and it's what you see for your future. Paradise is a metaphor for your place of aspiration and ambition. It's your place of purpose, which unfortunately, is undiscovered by some, but that's what paradise represents—it's a place of purposeful living. It's a place of peace. It's a place of fulfillment and prosperity.

The Bible teaches "Commit to the LORD whatever you do, and your plans will succeed" (Proverbs 16:3, NIV). There are two things about this verse that I want you to notice: 1) It doesn't say, "just commit your life to the Lord" and, 2) it doesn't say, "just plan your life without committing your plans to the LORD." It says, "commit whatever you do—have a plan and commit that plan to God.

You do those two things together. You go before God with your plan. Many people don't realize how important planning is in our lives and how often the Bible talks about planning. If you fail to plan—you can plan to fail. What are your plans for 2023 and have you committed them to God? Happy New Year!
