## SECURITY

### Mainline Showers

The mainline showers are being renovated. The renovations will be completed one side at a time.

The good news is that once the renovations are done mainline showers will have shower stalls which will increase privacy. These will be similar to shower stalls already available at other DOC facilities. Unfortunately, one side of the showers will be closed during the renovation.

We are sorry for the inconvenience this will cause, but believe the population will be happy with the end result. Thank you for your patience during the construction.

## GROUP LIVING

### Soda Tickets Reminder

This became effective April 1, 2024.

You are only allowed to own a maximum of fifty (50) soda tickets at a time and you are only authorized to have five (5) in your possession outside of your cell.

If you are found to possess in excess of the authorized number of tickets inside or outside of your cell, this will be considered excessive, deemed as items of barter, and confiscated as contraband. All tickets in excess of the authorized amounts will be discarded in accordance with the property rule regarding contraband. Being in possession of contraband and/or excessive property may result in confiscation of the item(s) and/or disciplinary actions.

/s/ C. Porter, Group Living Captain

### Clothing on the Yard

**DON'T FORGET**

- Clothing should be worn as it is intended and not cause undue attention.

- At no time should your undergarments be visible.
- Clothing cannot be altered from its original state, nor can it be rolled up or pulled down to expose more of the body.
- Transgender women are not allowed to remove their shirts on the yard.
- AICs must always wear their blue/red shorts over their underwear while utilizing the outdoor showers.

/s/ C. Porter, Group Living Captain

### Obstruction of View into Cell or Bunk Area

Nothing will be placed on or attached to cell bars. Nothing will be hung or placed in a manner that would obstruct the officer's view into the cell or bunk area.

This applies to celled housing units as well as the Dorm. Clothing, towels, sheets, and bedding are to be used for their intended purposes only, they are NOT to be hung around the bunk area to create curtains or obstruct view in the bunk or cell. Those in violation are subject to progressive discipline and confiscation of inappropriately used items. In the dorm, there is NOTHING allowed to be attached to the windows that would obstruct the view into the housing unit.

## HEALTH SERVICES

### Update On STD Testing

I have received your surveys back and am slowly scheduling those that wish to be tested. It will occur over the next four to five months. I appreciate everyone's patience during this long process.

If you are going to parole or need testing sooner, please send me an AIC communication letting me

know your parole date so I can make sure you are tested and get your results prior to your exit date.

Once you have had your blood drawn, I will schedule you in the next couple of weeks to go over your results. Please feel free to send me an AIC communication to remind me. If you have had your lab drawn and are still waiting for your results, please send me an AIC communication to let me know. If you would like a copy of your lab results, please send an AIC communication to medical records.

If you have not received a survey and would like testing, just send me an AIC communication letting me know. You will be scheduled.

If at any time you change your mind and want testing or do not want testing once again, just send me an AIC communication to let me know.
