PREA Related Grievance & Discrimination Complaint Process Improvements

Effective August 1, 2024, a grievance or discrimination complaint related to a claim of sexual abuse or sexual harassment will be immediately subject to investigation that is outside the Department's administrative remedies process.

However, the Grievance Review System (OAR 291-109) and Discrimination Complaint Review System (OAR 291-006) can still be utilized to report PREA allegations. PREA allegations raised through these administrative review systems will receive a return receipt indicating the allegation has been received and forwarded to your institution's PREA Compliance Manager (PCM) for investigation and will include information on how to initiate PREA advocacy

services. No further response or appeal will be provided through these administrative review systems. All further inquiries and communications about the PREA allegation(s) need to be sent to your institution's PREA Compliance Manager. In addition, there are many other ways to report a PREA allegation:

- In person to any staff
- Through an AIC communication form
- Call the Inspector General's Hotline
 - Pick up handset, make language selection, and dial "91"

HEALTH SERVICES ELECTRONIC HEALTH RECORDS (EHR)

OCTOBER 2024 UPDATE

Health Services continues to ensure that your paper health records become part of your health record in the Electronic Health Records (EHR) system and our scanning partners are currently scanning any overflow charts that you may have. Overflow charts are your paper health records that date back 6 months or longer. It is important that your overflow records become part of your electronic record because it can help ensure the people who provide medical, mental health, and dental services have the most complete picture of your health history.

Scanning Process: Our scanning partners have been doing this for over 55 years and scan thousands of pages every day. When they scan your paper health records, the electronic files are safely stored, protected, and backed up on hard drives.

Privacy Matters: Your health information belongs to you, and we care a lot about your privacy. During the EHR project, keeping your information private is our focus. Health Services make sure your information is safe and only people who are allowed can see it.

Please remember that your paper health records will be kept safe and stored according to the rules that Oregon Department of Corrections Health Services carefully follows for keeping those records.

We will continue to keep you updated every month about the EHR Project!

SERVICIOS DE SALUD EXPEDIENTES ELECTRÓNICOS DE SALUD (EHR)

OCTUBRE DE 2024

Servicios de Salud continúa garantizando que sus expedientes de salud en papel formen parte de su expediente de salud en el sistema de Expedientes Electrónicos de Salud (EHR, por sus siglas en inglés) y nuestros socios de escaneo están actualmente escaneando cualquier expediente excedente que usted pueda tener. Los expedientes excedentes son expedientes médicos en papel que datan de 6 meses y antes. Es importante que los expedientes excedentes formen parte de su expediente electrónico debido a que ayudan a garantizar que las personas que le proporcionan servicios médicos, de salud mental y dental, tengan un panorama completo de su historial de salud.

Proceso de escaneo: nuestros socios de escaneo han estado haciendo esto por más de 55 años y escanean miles de páginas al día. Cuando escanean sus expedientes médicos en papel, los expedientes electrónicos se almacenan de forma segura, se protegen y con copias de seguridad en discos duros.

La privacidad importa: su información de salud le pertenece a usted y nos importa mucho su privacidad. Durante el proyecto de los EHR, mantener su información privada es nuestro enfoque. Servicios de Salud garantiza que su información está segura y solo pueden verla las personas autorizadas.

Por favor, recuerde que sus expedientes de salud en papel se mantendrán y se almacenarán de forma segura, en conformidad con las reglas que los Servicios de Salud del Departamento Correccional de Oregon sigue cuidadosamente para mantener dichos expedientes.

¡Cada mes continuaremos manteniéndole al tanto sobre el Proyecto de los EHR!
