Health Services Electronic Records Project Update

Health Services continues to ensure that your paper health records become part of your health record in the Electronic Health Records (EHR) system and our scanning partners are currently scanning any overflow charts that you may have. Overflow charts are your paper health records that date back 6 months or longer. It is important that your overflow records become part of your electronic record because it can help ensure the people who provide medical, mental health, and dental services have the most complete picture of your health history.

SCANNING PROCESS: Our scanning partners have been doing this for over 55 years and scan thousands of pages every day. When they scan your paper health records, the electronic files are safely stored, protected, and backed up on hard drives.

PRIVACY MATTERS: Your Health information belongs to you, and we care a lot about your privacy. During the EHR project, keeping your information private is our focus. Health Services make sure your information is safe and only people who are allowed can see it.

PLEASE REMEMBER THAT YOUR PAPER HEALTH RECORDS WILL BE KEPT SAFE AND STORED ACCORDING TO THE RULES THAT OREGON DEPARTMENT OF CORRECTIONS HEALTH SERVICES CAREFULLY FOLLOWS FOR KEEPING THOSE RECORDS.

WE WILL CONTINUE TO KEEP YOU UPDATED EVERY MONTH ABOUT THE EHR PROJECT.

Property Limit FYI

Foodservice News

Per the Food Services Administrator in Salem, Food Services will continue to run the Spring/Summer Menu through October 20, 2024. Due to delays beyond our control, we still have not received the new Fall/Winter menu. The Fall/Winter menu will be available for purchase on October 20, 2024. **We will begin the new menu on October 21, 2024.**

In the meantime, please use the Spring/ Summer menu for the following dates:

Week 1—September 16-22

Week 2—September 23-30

Week 3—September 30-October 6

Week 4—October 7—13

ODOC Pharmacy Label Change

ODOC Pharmacies will be making a minor change on the pharmacy label for your medications. It is a small change, but it will be noticeable for some and we want to explain it now to help avoid any confusion. You shouldn't see any difference on medications that are dispensed in capsules or tablets, that will remain the same. However, for tubes, inhalers and other pharmaceutical containers you'll see that the quantity now indicates the number of grams or milliliters that the container holds. Previously if you had received a 30 gram tube of ointment, the pharmacy label would have read "1", indicating that you received one tube of ointment. Now you will see on the pharmacy label that the quantity has changed to "30", the number of grams in the tube. We are making the change because the pharmacies are about to use a new computer program that requires us to record the quantity dispensed in grams and milliliters.

GED & BCT Graduation

It is time for the GED & BCT Programs graduation ceremony! If you have completed either of these programs between 10/1/2023 and 09/20/2024, you will receive a personal invitation with details, times and a request for information from you. Please be sure to complete and return the form as soon as possible so we can begin preparations for the celebration. The graduation will be on Monday, October 14th, 2024 in the Medium Visiting Center. Each graduate is allowed four outside guests - guests must be on your visiting list and must have privileged visiting approval. If you did not receive an invitation by Sept. 6th and you believe you should have, please send an AIC Communication to Ms. Renk, Complex 2 Education Box B334. For those who completed their GED at another institution within the last year, but were unable to attend a graduation ceremony, please notify Ms. Renk by October 9th of your wish to attend - **verification will be done that you have not previously attended a graduation and you may be approved to attend this ceremony.** **Congratulations to all graduates!**
