AA Group

Tuesdays from 6:00 pm to 7:00 pm

AA Group has resumed and will be held every Tuesday. Group will be held in the Eagle Cap Room in MPB from 6:00 - 7:00pm. Please send a communication to Ms. Geddes to be added to the Call Out.

Al-Anon

Thursdays from 5:30 pm to 6:30 pm

Al-Anon Group is held every Thursday night in the Eagle Cap Room in MPB from 5:30 – 6:30pm. Please send a communication to Ms. Geddes to be added to the Call Out.

ODOC Pharmacies will be making a minor change on the pharmacy label for your medications. It is a small change, but it will be noticeable for some and we want to explain it now to help avoid any confusion. You shouldn't see any difference on medications that are dispensed in capsules or tablets, that will remain the same. However, for tubes, inhalers and other pharmaceutical containers you'll see that the quantity now indicates the number of grams or milliliters that the container holds. Previously if you had received a 30-gram tube of ointment, the pharmacy label would have read "1", indicating that you received one tube of ointment. Now you will see on the pharmacy label that the quantity has changed to "30", the number of grams in the tube. We are making the change because the pharmacies are about to use a new computer program that requires us to record the quantity dispensed in grams and milliliters.

Stretches to do every day:

Trunk twists with eagle arms

This stretch will improve spinal mobility and stretch the upper back, shoulders, shoulder blades, and forearms. Eagle arms often requires practice, especially if you are into heavy lifting.

- Extend your arms in front of you, palms facing down. Cross the right arm under the left.
- Keeping your elbows as close together as possible, bend the elbows and bring the backs of the hand to meet.
- If you want to go deeper, take the palms further by working them into prayer without moving your elbows.
- Wherever you are with this, slowly raise the elbows in line with your chin. Once your arms are in position, stand with your feet hip-width distance and stay facing forward the entire time to twist to the left side, working to stabilize the core and only move the trunk.
- Return to the middle and twist to the other side. After five repetitions, change your arms, so cross the left arm under the right and repeat five times.

COVID-19 Vaccine and Booster Dose Update – March 2024

The COVID-19 virus is still present in our institutions and communities, and vaccines continue to be the safest and most effective way to protect from COVID-19 infection. The Centers for Disease Control and Prevention (CDC) has authorized another vaccine booster series for COVID-19. Health Services will be approaching all individuals to inquire if vaccination is desired. If you do not wish to be vaccinated, or receive boosters, you can opt-out.

COVID-19 Booster Vaccines will be offered to those patients that are 65 years of age and older, as well as to patients who may be immunocompromised. These patients should receive two doses of Spikevax (Moderna) 23-24 vaccine to be up to date in vaccines. If you are under 65 years of age, are not immunocompromised, and have already received your COVID-19 Spikevax (Moderna) 23-24 vaccine – you are up to date on your vaccines and do not need another. If you have not received your COVID-19 Spikevax (Moderna) 23-24 vaccine, and you want it, please send a kyte to medical to receive it.

If you have questions, contact your health care provider.

RE: Electronic Health Records Update

Health Services is excited to share that work on the Electronic Health Records (EHR) project continues to make great progress. The EHR Project Team has been working with the EHR software company using a process called configuration. Configuration is important because it makes sure that all important information, forms, and processes will be used when DOC transitions to the new EHR system. Health Services will continue to provide updates to you about the EHR project and important milestones as we reach them.

HEALTH SERVICES ELECTRONIC HEALTH RECORDS (EHR)

OCTOBER 2024 UPDATE

Health Services continues to ensure that your paper health records become part of your health record in the Electronic Health Records (EHR) system and our scanning partners are currently scanning any overflow charts that you may have. Overflow charts are your paper health records that date back 6 months or longer. It is important that your overflow records become part of your electronic record because it can help ensure the people who provide medical, mental health, and dental services have the most complete picture of your health history.

Scanning Process: Our scanning partners have been doing this for over 55 years and scan thousands of pages every day. When they scan your paper health records, the electronic files are safely stored, protected, and backed up on hard drives.

Privacy Matters: Your health information belongs to you, and we care a lot about your privacy. During the EHR project, keeping your information private is our focus. Health Services make sure your information is safe and only people who are allowed can see it.

Please remember that your paper health records will be kept safe and stored according to the rules that Oregon Department of Corrections Health Services carefully follows for keeping those records.

We will continue to keep you updated every month about the EHR Project!

AIC Message

Changes to the Loss of Privilege (LOP) Rule

Since January of 2023, the Department of Corrections (DOC) has seen an increase in violent offenses carried out by adults in custody (AICs). In an effort to change this trend, beginning June 1, 2024, changes to the Prohibited Conduct and Processing Disciplinary Actions rule (OAR 291-105), and the Major Violations Grid will take effect. If you commit a major violation, your loss of privileges time may be extended.

In Summary:

The maximum Loss of Privileges (LOP) for *level one* violations increases from 28 days to 60 days. The maximum sanction for *level two* violations increases from 28 days to 45 days. These changes may affect the time needed to be eligible for the next incentive level.

Examples (in accordance with DOC administrative rule, (OAR 291-077-0035, Appendix B):

In order to move from level 1 to level 2 incentives, you will be required to have:

- 180 days in a row without a major misconduct, AND
- 90 days in a row without a program fail.

In order to be eligible to move from level 2 to level 3 you will be required to have:

- An additional 365 days without a major misconduct, AND
- 90 days without a program fail.

All disciplinary sanctions need to be completed before an AIC can begin to earn the next higher incentive level.

Adults in custody, friends and family, advocacy groups, and others:

There has been a substantial increase in substance-infused paper arriving at Department of Corrections (DOC) facilities. Paper and envelopes infused with narcotics, as well as narcotics hidden within them, pose a health and safety risk to adults in custody (AICs), DOC employees, and US Postal Service employees.

The Department of Corrections periodically proposes changes to its administrative rules for operational or other purposes. Among the several rules currently being reviewed is 291-131 related to mail, which proposes:

- Limiting the type of envelopes, paper, and the use of certain materials related to incoming mail;
- Aligning the rules with statutory requirements for the processing of AIC mail with the Corrections Ombudsman;
- Removing gendered language and adding clarifying language consistent with other department rules.

A Public Hearing on proposed changes will be held September 16, 2024, at 1:00 p.m. with a comment period open now through September 25, 2024, at 5:00 p.m.

For more information, visit the DOC website, Department of Corrections : Administrative Rules : Rules and Policies : State of Oregon and more specifically, the 291-131-mail-updated.pdf (oregon.gov) page.

PRAS Revisions FAQ

What's Happening with PRAS Changes?

In 2014, a petition was made to change the PRAS (Performance Recognition Award System) so that awards adjust with cost-of-living changes. The petition had good ideas but was too complicated to handle quickly. So, the Department created a group to look at these ideas and other concerns from people in custody and their families. These included points assigned for work and programming, as well as improving the work history letter you receive at release.

Good News:

The Department's Executive Team approved changes based on this group's recommendations. These changes will fix some problems with the PRAS rules and make it more consistent. The goal is to improve the system without taking away benefits.

There have been delays because of limited resources, developing new systems, and COVID-19. But work has been going on, and progress has been made. In January 2024, the PRAS system was updated with new tiers and a 25% increase in awards.

What's Changing Now?

By August 2024, new names for work assignments have been set up to show the point levels clearly. This will make it easier to compare positions across different facilities. The process of updating current work assignments to these new names started in mid-February and should be done by December 2024.

What Does This Mean for You?

- Most work assignments will just have a new name, but some may see changes in point levels.
- If your point level changes, the department will keep your current level as long as you stay in the same position.
- If you transfer or leave because of discipline, you'll get the new point level system.
- If you leave for court or medical reasons, your position may be held open. If you don't return in time, you'll start with the new point levels when you get back.

Most people will keep their current point level or get an increase. A catalog of positions and point levels will be available by the end of the year. Thanks for your patience as we make these improvements!

Your Health: How the Electronic Health Record (EHR) System Helps Keep Track

This month, we want to talk about how the EHR will help you and Health Services keep track of your health.

Being Involved in Your Own Care: It's important to be a part of your own healthcare. This means paying attention to your health, asking questions, and understanding your treatment. Getting involved in your healthcare can make you feel more in control and confident. It can also help lower your anxiety and stress because you'll understand your health better and know what you can do to improve it. When you know what's going on with your health, you can make smarter choices about your treatments, medications, and any changes you need to make in your lifestyle.

Tracking Health Progress and Trends: When we start using the new EHR system to keep track of your health, the digital records that replaced the old paper files will help us share information quickly with your healthcare providers. This way, your health info is always up-to-date and easy to access.

Connecting with Community Providers: Our EHR system will help us connect and share data with any community healthcare providers you may have, especially upon your release. This means if you need care from a doctor outside, they can also get your health information quickly.

Population Health: The new EHR will help us to continue to look at the health of everyone as a group. This helps us see patterns in diseases and health risks. By tracking these patterns, we can better understand and help improve the overall health of everyone in the facility.

Customized Data Collection: Our EHR system will be set up to collect data in a way that makes it easy to analyze and to run important reports on specific health information. This will also help us continue to get everyone the care they need.

Health Services will continue to update you about the EHR Project!

RE: EHR PROJECT

When you visit your health services providers, sometimes they use short words and or a couple of letters that you may see or hear but don't know what they mean. They use these shortcuts to help them work faster and communicate better.

As the Health Services Division gets closer to using the new Electronic Health Records (EHR) system, we want to review the meaning of some medical abbreviations.

Here are some common medical abbreviations:

ABBREVIATION	MEANING	INFORMATION
BP	Blood Pressure	The force of your blood pushing against the walls of your arteries.
HR	Heart Rate	The number of times your heart beats in one minute.
SpO2	Blood Oxygen Saturation	A measurement of how much oxygen your blood is carrying.
NPO	Nothing by mouth	Instructions given to not eat or drink the evening before a blood draw.
A1c	Hemoglobin A1c	A blood test that measures average blood sugar levels over a 3-month period.

Here are some abbreviations sometimes used in EHRs:

ABBREVIATION	MEANING	INFORMATION
HIE	Health Information Exchange	HIEs help to facilitate the exchange of data between EHRs
EMAR	Electronic Medication Administration Record	Part of the EHR where we record the medication you are given.
CDS	Clinical Decision Support	Built into the EHR, this tool assists your healthcare provider in making informed decisions about your health.
CPOE	Computerized Provider Order Entry	A provider uses this in the EHR to electronically order treatment services (such as medication or labs) instead of writing the orders on paper.

Knowing some of these abbreviations can help you feel more confident during healthcare visits and stay involved in your own health.

Remember, you can always ask your health provider questions about terms and abbreviations you don't understand!

RE: Electronic Health Records (EHR)

Health Information Exchanges (HIEs): Connecting the Dots in Healthcare

Health information exchanges (HIEs) are important because they help healthcare providers, both inside and outside of our institutions, securely share important information about your health if you should need medical care.

What is a Health Information Exchange (HIE)?

A Health Information Exchange (HIE) is like a digital bridge that connects different healthcare providers and systems.

How Do HIEs Work?

Sharing Data: When you have a healthcare visit, your medical info is put into an electronic file. This file lives in your electronic health record (EHR) which keeps track of everything, from your allergies to your latest checkup.

1. **Secure Access:** Only authorized healthcare providers can access this information; and your health history is safely stored.
2. **Benefits:** HIEs help your healthcare providers avoid mistakes, like giving you a medicine you're allergic to. They also save time—no more faxing or calling for records!

Why Are HIEs Important?

1. **Quality Boost:** HIEs improve healthcare quality. Your healthcare providers see your full story, not just a chapter.
2. **Efficiency:** Less paperwork means more time for patient care.
3. **Other Benefit:** HIEs help to share your health info with the right people, like providers outside of the institution when you are released.

Remember, HIEs can create a “big picture” of your health that your healthcare providers use to provide excellent healthcare to you!

RE: Electronic Health Records (EHR)

Blue Charts, Green Charts and Scanning: What is happening?

New processes are in place for scanning patient paper healthcare records for ODOC Health Services' upcoming Electronic Health Records (EHR) system. It is important to understand what the new processes mean for your private health information.

Blue Charts: Your paper health information is currently being stored in a blue medical chart. Those paper records will be scanned and turned into electronic files for use in the EHR. It is important to know that some people's blue chart will not be scanned if they are scheduled to release before the EHR is turned on.

Green Charts: Once your blue medical chart is scanned, a green medical chart will be created. All new health information will be put in your green medical chart.

The green chart always stays with the scanned blue chart, but any new documents will only be added to the green chart.

A few weeks before an Institution's EHR is turned on, our scanning partners will return and scan all documents contained in green charts.

These processes will help make sure your paper health records become part of your electronic health record (EHR).

Scanning Process: Our scanning partners have lots of experience—over 55 years! They scan thousands of pages every day. When your paper health records are scanned, the electronic files are stored, protected, and backed-up on hard drives.

Privacy Matters: Your health information belongs to you, and your privacy is important.

Throughout the EHR project, patient confidentiality and privacy remain our top priority. Health Services wants to make sure you fully understand that your information is kept safe and only authorized people in health services can see those records.

Help Keep the Restrooms Clean

Help to make sure the restroom facilities are in working order by not flushing anything other than the toilet paper approved by DOC.

Items such as rags, clothing, wipes purchased on canteen, wipes used for sanitizing surfaces, garbage, wrappers, or anything other than DOC issued toilet paper are NOT to be flushed down the toilet or urinal.

Items including but not limited to those listed above, are not to be placed in any shower or sink drains.

PRCF Do Good Club

Article I

Club Name

PRCF Do Good Club

Article II

Mission Statement

The purpose of the PRCF Do Good Club is to unite the Adults in Custody (AIC) at PRCF in promoting pro-social behavior. The goal of the club is to improve the quality of life for those inside and outside PRCF through charitable donations and social events. These social events will promote humanization, normalization, and pro-social behavior.

Note: This Club is not designated for personal gain or benefit, but for the benefit of the *PRCF Community as a whole*. Any participant in the Club is expected to adhere to this core belief or will be held accountable in accordance with PRCF policies.

Article III

Membership

- a. The PRCF Do Good Club may have a maximum of 12 members. Exceptions may be approved by the program committee.
- b. AIC's cannot be a member of more than three clubs at one time.
- c. No person shall be denied the opportunity to participate in club meetings and/or activities on the basis of race, color, religion, national origin, age, or handicap.
- d. All club members must be Incentive Level 3 or higher and be at PRCF for at least 60 days.
- e. To become an active member of the Do-Good Club an AIC must notify the club via a communication request to Ms. Bronnenberg. Upon receipt of request, the AIC will be vetted as an AIC Incentive Level 3, as well review of their conduct history by staff. *If accepted*, the AIC will be placed on the next available call out as a prospect member until voted in by the Club, provided the club is not full. If the club is at maximum membership occupancy, then they shall be placed on the club's waiting list until space is available.
- f. AICs who join the club after the inaugural meeting will be considered an active member after they have attended one meeting or event.
- g. To remain an active member, members must not miss two consecutive meetings and maintain Incentive Level 3 or higher. Failure to meet the minimum requirements will result in removal from membership. AICs who have been removed from club membership may apply for re-admittance after 90 days from the time of removal.
- h. The Functional Unit Manager or designee may deny, revoke, or suspend individual or group activities for AIC conduct that is disruptive to group activities or institutional operations.

The profit from our **Backyard BBQ** in August was **\$487.91** *after* costs for the feed itself.

Proceeds from this and other fundraisers are used for things like Video Game Controllers and Games in the MPB, Popcorn for Incentive Movies, Suicide Walk and Family Day contributions, and a soda and candy included in a holiday gift bag at the end of the year for all of the AICs. Proceeds are also donated with Club approval to local community outreach programs. You are welcome to share your feedback with any Club Member. Please keep in mind, there are *limitations* to what this Club can address which is generally for AIC fundraising through feeds. Any changes to the function of PRCF *must* be submitted to the AIC Council. The list of AIC Council members is posted in the units.

Proceeds were used from the Do-Good Club to purchase the water bottles which were handed out for the Suicide Prevention Walk 2024. 150 bottles worth \$650 were purchased by the Club.

AIC Council

The purpose and function of the Adult in Custody (AIC) Council is to provide a forum for the exchange of ideas and information between the AIC population and DOC staff at Powder River Correctional Facility (PRCF). The goal for the IC Council is to normalize the correctional setting by meeting as a group, on a regular ongoing basis, to promote communication between the AIC's and DOC representatives. This transparent flow of communication will provide an opportunity for issues/ideas to be brought forward and discussed in a respectful and systematic manner finding solutions by all parties involved.

If you have ideas for improvements to the facility or concerns regarding facility safety, please speak with your unit representative. AIC Council meets every Saturday and the last Thursday of every month.

Previous examples of approved proposals include:

TV's in Unit 2 dayrooms / Yard Misting Station
Resurfacing of Basketball Courts (Spring 2024)
Installation of Handball Court & Dedicated Pickleball Court (Timeline TBD)

OCTOBER IN HISTORY

October 19

1987 - "Black Monday" occurred on Wall Street as stocks plunged a record 508 points or 22.6 per cent, the largest one-day drop in stock market history.

October 20

1968 - Jacqueline Kennedy married multi-millionaire Greek businessman Aristotle Onassis, ending nearly five years of widowhood following the assassination of her first husband, President John F. Kennedy.

1973 - The 'Saturday Night Massacre' occurred during the Watergate scandal as President Richard M. Nixon fired Special Prosecutor Archibald Cox and Deputy Attorney General William Ruckelshaus. Attorney General Elliot Richardson resigned. A firestorm of political protest erupted over the firings leading to widespread demands for Nixon's impeachment.

October 21

1917 - Jazz great Dizzy Gillespie (1917-1993) was born in Cheraw, South Carolina (as John Birks Gillespie). He was a trumpet player, composer, band leader and one of the founding fathers of modern jazz, known for his trademark puffed cheeks and bent trumpet.

1967 - Thousands of anti-war protesters stormed the Pentagon during a rally against the Vietnam War in Washington, D.C. About 250 were arrested. No shots were fired, but demonstrators were struck with nightsticks and rifle butts

October 22

1979 - The exiled Shah of Iran arrived in the United States for medical treatment. A few weeks later, Iranian militants seized the U.S. Embassy in Tehran and took 66 Americans hostage. They demanded the return of the Shah for trial. The U.S. refused. The Shah died of cancer in July of 1980. The hostages were freed in January of 1981.

October 23

1983 - Terrorists drove a truck loaded with TNT into the U.S. and French headquarters in Beirut, Lebanon, exploding it and killing 241 U.S. Marines and 58 French paratroopers.

October 24

1929 - "Black Thursday" occurred in the New York Stock Exchange as nearly 13 million shares were sold in panic selling. Five days later "Black Tuesday" saw 16 million shares sold.

October 25

1983 - The Caribbean island of Grenada was invaded by the U.S. to restore "order and democracy." Over 2,000 Marines and Army Rangers seized control after a political coup the previous week had made the island a "Soviet-Cuban colony," according to President Ronald Reagan.

Eating a healthy diet is one of many things we can do to improve our overall health. In addition to what we eat, which other actions can we take to be healthy?

- **Maintain a healthy weight.** Eating healthy foods, not snacking too much, and watching how much fat, sugar, and salt we eat will help us maintain a healthy weight. Being at a healthy weight for your height will reduce your risk of getting medical conditions like heart disease, diabetes, and high blood pressure.
- **Be more active.** Both exercise and diet play a part in maintaining a healthy weight. Regular exercise will improve muscle tone, blood flow, balance, and coordination. Being active every day can prevent some diseases. Adults should get at least 2 ½ hours of physical activity every week.
- **Get enough sleep.** There is no perfect number, but most people function best when they get 7 to 9 hours of sleep each night. Getting enough sleep promotes healing, improves brain function, and reduces the risk for chronic diseases.
- **Include mental health in overall health.** A healthy mind can benefit your physical body. Pay attention to your mood. If you have bothersome thoughts that you can't control, or if you feel unusually anxious or on-edge, don't be afraid to ask for help from a mental health professional.
- **Manage stress.** Some of life's stresses are unavoidable. How we deal with stress can affect our mental and physical health. Find strategies to cope with stress that work for you. There are many different options. Ask your doctor for help if stress is affecting you.
- **Don't smoke or vape.**
- **Drink alcohol moderately, or not at all.**

NEW HOPE – POWDER PALS PROGRAM

Interested AICs are welcome to apply

New Hope for Eastern Oregon Animals (New Hope – Powder Pals) partnered with the Powder River Correctional Facility, Oregon Department of Corrections, since early 2011. A key focus of this work has been the ability to provide meaningful work for inmates in training homeless dogs. More specifically, the program assists homeless dogs lacking obedience skills and behavioral issues that limit the animal's ability to be re-homed successfully. New Hope for Eastern Oregon Animals is a Private Non-Profit whose purpose is to improve the lives of animals through kindness, understanding and respect. Their purpose is to rescue and rehabilitate animals in Eastern Oregon, increase awareness of animal well-being through education, and encourage a caring and safe environment for animals.

Work duties will include are but not limited to the following:

- Always follow the training program. Failure to follow the program will result in immediate removal from the program and may result in disciplinary action.
- Conduct or assist with scheduled training sessions.
- Conduct or assist with socialization of the animals.
- Follow the schedule of activities for the animals.
- Exercise animals daily.
- Keep a daily log of the animal's progress in the program.
- Feeding and watering following recommended daily amounts.
- Remove solid waste from kennel areas (inside and outside), and any other area as needed using approved Personal Protective Equipment (PPE).
- Clean kennel area (inside and outside) using appropriate chemicals and PPE.
- Must be willing to work in a variety of weather conditions.

Qualifications for opportunity to apply:

1. In compliance with DOC Case Plan
2. No major misconduct reports within the last 6 months
3. Minimum of 6-8 months remaining on sentence
4. No history of animal neglect or abuse
5. Willingness to work as a team, open to new training ideas, willingness to make a difference to an animal
6. Be motivated for change and have a good attitude
7. Must be able to lift 50 lbs.

Court Ordered Financial Obligations (COFOs)

What are Court Ordered Financial Obligations (COFOs)?

COFOs are financial obligations owed by an Adult in Custody (AIC) assigned during a legal proceeding. COFOs may consist of restitution, fines, fees, child support, or civil judgements including money owed to a victim. *Note: COFOs are not the same as County and U.S. Court Filing Fees.*

Why does the Department of Corrections (DOC) collect COFOs?

Oregon Revised Statute (ORS) 423.105 became law in 2017, directing DOC to collect COFOs on behalf of the Oregon Judicial Department (OJD) and the Department of Justice (DOJ).

How are COFOs collected?

COFOs are collected from eligible deposits, or deposits that are not protected from debt and obligation collection. Examples of eligible deposits include AIC performance monetary awards (PRAS) and moneys received from an AIC's family or friends.

10% of each eligible deposit is collected until the AIC's transitional savings has reached \$500. After the AIC's transitional savings has reached \$500, 15% of each eligible deposit is collected for COFOs until those obligations are satisfied.

Who do I contact if I have questions about COFOs?

DOC is unable to provide case-specific information. AICs with questions or concerns about their COFO details should contact OJD/DOJ or the appropriate court of record.

Coming into R&D outside of these hours, unless you've been called down, will result in you being held accountable, <u>If there is an immediate need please talk with your unit officer.</u></p>		

Release Clothing

Have you thought about your clothing needs for release and how you are going to pay for them?

When you are **45 Days from release**, you will need to contact R&D to make arrangements for your dress outs by completing a package authorization form to have clothing sent in OR by completing a CD28, to ensure you have funds available to purchase clothing from PRCF

The cost for dress outs can be up to \$35 depending on your needs. If you have any questions about the cost for dress out clothing, please kite R&D.

Due to changes to the Inmate Trust accounts you should start thinking about how you will pay for your dress outs. You can pay for dress outs with money in your General Spending account or your General Savings account but Not your Transitional Savings.

Prison Rape Elimination Act (PREA Information)

The Oregon Department of Corrections (ODOC) has a zero-tolerance policy for sexual abuse, sexual harassment and for retaliation for reporting an incident. You may report in person to any staff, through an AIC communication, through the grievance system, by calling the PREA hotline by making a language selection, then dialing 91 from any AIC phone.

Filing an Anonymous PREA Report

If you are uneasy about filing a PREA allegation, you may file an anonymous report with an outside agency.

You may write to:

Governor's Constituent Services Office
900 Court Street NE, Suite 254
Salem, Oregon 97301

Please indicate in the beginning of your letter you are filing a PREA allegation, and you are requesting to remain anonymous. The Governor's Office will refer all anonymous allegations to the DOC PREA Coordinator to assure an investigation is completed based off the information that is provided.

Opposite Gender Viewing/Announcements

Opposite gender staff announcement themselves when entering a housing unit by ringing a bell. This must be done any time the status quo of the gender supervision on a housing unit changes (if there is already an opposite gender staff on the unit then there is not needed to re-announce). When you hear the doorbell, opposite gender staff will be entering the housing unit so please make sure you are covered up appropriately.

It is also important you undress in the appropriate locations. If you are in a bunk area, there are cameras throughout the facility so the designated changing/bathroom areas are the only areas you should be without undergarments. Opposite gender viewing may happen incidentally when staff are conducting routine cell checks. You can minimize this by keeping aware of the gender of supervision in your housing unit and ensuring you cover up when possible.

Community-Based PREA Advocacy (Support) Program

ODOC has partnered with community based, confidential advocates of sexual abuse victims to provide services to AICs.

AICs at ODOC who have experienced sexual abuse may reach a community-based advocate by making a language selection, entering your AIC PIN, then press 0*711 AIC telephone systems, or may request a private call through the PREA Compliance Manager at the facility. Advocates provide victims of sexual abuse information about their options, resources, information, and emotional support. There is no charge for calls to advocates.

The community-based advocacy crisis line is for individuals needing assistance coping with sexual abuse related issues and should not be used for other purposes.

Telephone calls and mail with community-based advocacy centers is considered privileged communication and will be handled like legal calls/official mail. All advocacy calls are not monitored or recorded.

Advocates provide confidential support and crisis intervention, inform you about the investigation and medical examination process, educate you about healing from sexual abuse and offer resources and referrals

Advocates will not tell you what to do, communicate with the institution unless you request them to do so and sign a release and will not provide legal advice.

Community-based advocacy centers provide sexual abuse support to people of all genders. Community-based advocates will not report unless you request them to do so and if you sign a release of information.

Just Detention International Headquarters is a national advocacy resource and can be reached at:

3325 Wilshire Blvd., Suite 340
Los Angeles, CA 90010

If you have any other questions regarding PREA, you may ask any staff member, write the PREA Compliance Manager at your institution, or you may write:
