PRAS POINTS INFORMATION

- The updated PRAS points list has been posted in the units.
- As part of the PRAS Revision work, PRCF completed the transition to the new work assignment naming structure and points levels. This change includes eligibility for work performance reviews and PRAS step increases at set intervals for most assignments. The intervals are of a minimum of 90-days.
- Due to all the new changes, if you were already assigned to a work position in 2024, the 90-day count will not be retroactive. In this case, it will start from 1/1/25, meaning that the first 90-day point will be at 4/1/25.
- It is important to note that AICs are responsible for tracking their own time in assignment at each step.
- PRAS step increases are not automatic nor retroactive; they are discretionary based on time in assignment and performance.
- More information on the PRAS steps will be posted in the newsletter prior to April.
- Please note that the PRAS points listed in some of the position descriptions are outdated. Please disregard that information and follow the PRAS points list posted in the units. IWP is working on removing the outdated PRAS info from the position description in the meantime.

VICTIM SERVICES PROGRAMS

RESPONSIBILITY LETTER BANK

The Responsibility Letter Bank is a structured letter writing process that provides adults in custody (AIC) with the opportunity to demonstrate responsibility for their crimes and express remorse for the harm they may have caused.

The program provides crime victims/survivors with the choice to receive information in a safe manner.

- ◆ AIC's may initiate the process by applying to participate in the program
- ◆ Crime victims/survivors may inquire with Victim Services to find if they have a letter available for them
- ◆ Victims are not contacted about the availability of a letter if they have not registered with the Bank through Victim Services
- ◆ Victims decide whether or not they wish to receive a responsibility letter and whether or not the AIC is informed that the victim received or read the letter
- ◆ Participation does not constitute permission for the AIC to make additional contact
- ◆ Victims may choose to respond to a responsibility letter through the program, however, further correspondence requires the approval to participate in the FDP
- ◆ Letters will be reviewed by the Victim Services Program for appropriateness
- ◆ Accepted AIC letters will be deposited in the Responsibility Letter Bank maintained by Victim Services
- ◆ Letters are voluntary and will not affect an AICs good time, release date, or post-prison conditions

To request additional information about the Responsibility Letter Bank, please contact Victim Services at:

EHR

UPDATE

TO: ALL ADULTS IN CUSTODY
FROM: HEALTH SERVICES
RE: Electronic Health Records (EHR) Project

It might be cold outside, but things are heating up for the EHR project!

Over the past few months, many people from Health Services have been testing a practice version of the EHR system to see how it will work. Also, more testing is scheduled soon!

This is important because the people testing it are the doctors, nurses, dentists, BHS, and other health workers who will use the EHR to take care of your health. Testing helps to make sure the EHR works right before we start using it every day. Health Services will continue to keep you updated about the EHR Project! If you have questions about the EHR, send a kyte addressed to: **ASK EHR**

PLEASE REMEMBER, for now, you still access health care, dental, and BHS how you always have in your institution.

AIC Message

Changes to the Loss of Privilege (LOP) Rule

Since January of 2023, the Department of Corrections (DOC) has seen an increase in violent offenses carried out by adults in custody (AICs). In an effort to change this trend, beginning June 1, 2024, changes to the Prohibited Conduct and Processing Disciplinary Actions rule (OAR 291-105), and the Major Violations Grid will take effect. If you commit a major violation, your loss of privileges time may be extended.

In Summary:

The maximum Loss of Privileges (LOP) for *level one* violations increases from 28 days to 60 days. The maximum sanction for *level two* violations increases from 28 days to 45 days. These changes may affect the time needed to be eligible for the next incentive level.

Examples (in accordance with DOC administrative rule, (OAR 291-077-0035, Appendix B):

In order to move from level 1 to level 2 incentives, you will be required to have:

- 180 days in a row without a major misconduct, AND
- 90 days in a row without a program fail.

In order to be eligible to move from level 2 to level 3 you will be required to have:

- An additional 365 days without a major misconduct, AND
- 90 days without a program fail.

All disciplinary sanctions need to be completed before an AIC can begin to earn the next higher incentive level.

PRAS Revisions FAQ

What's Happening with PRAS Changes?

In 2014, a petition was made to change the PRAS (Performance Recognition Award System) so that awards adjust with cost-of-living changes. The petition had good ideas but was too complicated to handle quickly. So, the Department created a group to look at these ideas and other concerns from people in custody and their families. These included points assigned for work and programming, as well as improving the work history letter you receive at release.

Good News:

The Department's Executive Team approved changes based on this group's recommendations. These changes will fix some problems with the PRAS rules and make it more consistent. The goal is to improve the system without taking away benefits.

There have been delays because of limited resources, developing new systems, and COVID-19. But work has been going on, and progress has been made. In January 2024, the PRAS system was updated with new tiers and a 25% increase in awards.

What's Changing Now?

By August 2024, new names for work assignments have been set up to show the point levels clearly. This will make it easier to compare positions across different facilities. The process of updating current work assignments to these new names started in mid-February and should be done by December 2024.

What Does This Mean for You?

- Most work assignments will just have a new name, but some may see changes in point levels.
- If your point level changes, the department will keep your current level as long as you stay in the same position.
- If you transfer or leave because of discipline, you'll get the new point level system.
- If you leave for court or medical reasons, your position may be held open. If you don't return in time, you'll start with the new point levels when you get back.

Most people will keep their current point level or get an increase. A catalog of positions and point levels will be available by the end of the year. Thanks for your patience as we make these improvements!

Responsible

Have you ever thought about what it means to be “responsible”? The definition of being responsible includes being “*morally accountable for one’s behavior*” and “*being the primary cause of something and so able to be blamed or credited for it.*” When we are morally accountable for our behavior, we take ownership of our decisions—good or bad; as well as ownership for the outcomes of those decisions—good or bad. How would your life look if you prioritized personal responsibility? What would you change first? What would you take credit for? Would being responsible free you from the opinions and judgements of yourself and others? How would ownership and responsibility change your emotions, actions and behaviors; thus, help you to be more mindful? What are the ripple effects of being responsible? Who in your life would benefit from this shift in mindset? Challenge yourself to be more mindful and implement responsibility in your daily life. If you face obstacles, talk to a friend or support person to identify how you can overcome the issue, move forward and reach your full potential. Remember, being responsible takes daily effort and the desire to improve...one day at a time.

Weekly Quote:

Mindfulness gives you time. Time gives you choices. Choices, skillfully made, lead to freedom. Bhante Henepola Gunaratana

How to File & Tips for Filing

- Get the appropriate forms and instructions (such as IRS Form 1040 and Oregon Form OR-40) from a trusted source, such as www.oregon.gov/dor and www.irs.gov. The institution is unable to provide these forms.
- You may appoint a qualified person as your power of attorney (POA) and have them file your tax return for you. Make sure to choose a person you trust to be your POA.
- Don't disclose your Social Security number (SSN) to others or let someone use your SSN for fraud. If fraud occurs, it will take a lot of work for you to clean up your account once you're out of prison.
- Request your Form W-2 from your employer if you didn't receive it.
- The award amount you receive from the Oregon Department of Corrections as an adult in custody is taxable income. You will receive Form 1099-MISC if your award totals exceed \$600.
- Be aware that the award amount you receive from the Oregon Department of Corrections as an adult in custody doesn't qualify as earned income when calculating your Earned Income Tax Credit.
- If you have a filing requirement, file or request an extension by April 15, 2025.

AIC Newsletter Article – 2022

Prison Rape Elimination Act (PREA Information)

The Oregon Department of Corrections (ODOC) has a zero-tolerance policy for sexual abuse, sexual harassment and for retaliation for reporting an incident. You may report in person to any staff, through an AIC communication, through the grievance system, by calling the PREA hotline by making a language selection, then dialing 91 from any AIC phone.

Filing an Anonymous PREA Report

If you are uneasy about filing a PREA allegation, you may file an anonymous report with an outside agency.

You may write to:

Governor's Constituent Services Office
900 Court Street NE, Suite 254
Salem, Oregon 97301

Please indicate in the beginning of your letter you are filing a PREA allegation, and you are requesting to remain anonymous. The Governor's Office will refer all anonymous allegations to the DOC PREA Coordinator to assure an investigation is completed based off the information that is provided.

Opposite Gender Viewing/Announcements

Opposite gender staff announcement themselves when entering a housing unit by ringing a bell. This must be done any time the status quo of the gender supervision on a housing unit changes (if there is already an opposite gender staff on the unit then there is not needed to re-announce). When you hear the doorbell, opposite gender staff will be entering the housing unit so please make sure you are covered up appropriately.

It is also important you undress in the appropriate locations. If you are in a bunk area, there are cameras throughout the facility so the designated changing/bathroom areas are the only areas you should be without undergarments. Opposite gender viewing may happen incidentally when staff are conducting routine cell checks. You can minimize this by keeping aware of the gender of supervision in your housing unit and ensuring you cover up when possible.

Community-Based PREA Advocacy (Support) Program

ODOC has partnered with community based, confidential advocates of sexual abuse victims to provide services to AICs.

AICs at ODOC who have experienced sexual abuse may reach a community-based advocate by making a language selection, entering your AIC PIN, then press 0*711 AIC telephone systems, or may request a private call through the PREA Compliance Manager at the facility. Advocates provide victims of sexual abuse information about their options, resources, information, and emotional support. There is no charge for calls to advocates.

The community-based advocacy crisis line is for individuals needing assistance coping with sexual abuse related issues and should not be used for other purposes.

Telephone calls and mail with community-based advocacy centers is considered privileged communication and will be handled like legal calls/official mail. All advocacy calls are not monitored or recorded.

Advocates provide confidential support and crisis intervention, inform you about the investigation and medical examination process, educate you about healing from sexual abuse and offer resources and referrals

Advocates will not tell you what to do, communicate with the institution unless you request them to do so and sign a release and will not provide legal advice.

Community-based advocacy centers provide sexual abuse support to people of all genders. Community-based advocates will not report unless you request them to do so and if you sign a release of information.

Just Detention International Headquarters is a national advocacy resource and can be reached at:

3325 Wilshire Blvd., Suite 340
Los Angeles, CA 90010

If you have any other questions regarding PREA, you may ask any staff member, write the PREA Compliance Manager at your institution, or you may write:
