2025 Madden Tournament Recap

Throughout the first week of February 32 competitors fought through the pre-tournaments at the TRAC that placed our 4 top winners as qualifiers for the finals that led to the championship. The finals and championship were held on February 10th and our 4 finalists; Ronald Smith, Alexander Vazquez, Ad Bailey, and Lorin Jacobs gave it all they had and left nothing on the field while they battled each other to compete in the TRCI “Superbowl”. Lorin Jacobs who also won last year’s championship was able to out match Ronald Smith to move on, and Bailey took Vazquez out at the knees and rolled on to the final showdown between Jacobs and Bailey. The championship was a rough start for Bailey as Jacobs put up 21 unanswered points in the 1st quarter. Bailey finally put together the drive of his life to get his first points on the board at the end of the 3rd quarter, but it wasn’t enough to keep Jacobs deterred from conquering the day. The final score was 56-7 with Jacobs defending his title for the second year in a row. Since Mahomes couldn’t get the three-peat, can Jacobs pull it off next year? We look forward to seeing a challenger rise up next year.

The Heartland Country Band Presents...

Come take a trip down memory lane with the band that always gets our boots stompin' and takes us down that ol' dirt road with all of their anthems and plucks our heartstrings with their ballads. The Heartland Country Band will be performing for the first time in 2025 with some of the old-time members and some new faces as the newly assembled, but under the well-remembered name that we all know.

The members include:

**Shawn Harris – Bass/guitar/vocals, Sean Riggs – Drums,
Girley Crum – Lead vocals/guitar, Jake Lawrence –
Bass/guitar/vocals, Nate Williams – Lead guitar, David
Gilmore – Piano/vocals (as seen in image below)**

The concert will consist of two shows and will take place on Thursday, March 13th at 9am – 10:30am and 1pm – 2:30pm. We have room for 50 AIC's per show and will take work schedules into consideration, but please put on the kyte which time you would prefer. All kytes must be received by the Recreation Department by March 6th. This is an Incentive Level 3 event only.

2025 8-BALL POOL TOURNAMENT

The 2nd annual 8-Ball Pool Tournament was conducted at the TRAC on February 12th 2025. 30 Participants signed up and played throughout the previous weeks to narrow it down to the final four; Margarito Morfin, James Ross, David Johns and Defending Champion; Michael Blair. The final matchup was set; Blair vs. Ross and Morfin vs. Johns. Morfin lost his match by sinking the 8-ball in too early. The match between Blair and Ross was close for a while with Ross leading near the end, but with a few strategic moves, Blair was able to finish with finesse to get the win and advance to the final match. The final match was between the defending champ Mr. Michael Blair and Mr. David Johns; could we see a back to back winner? It came down to the 8-Ball for both of them, each getting a chance but narrowly missing to sink the 8 in. Johns got a second chance to sink it and sealed the deal for the win. Congratulations to Mr. David Johns for winning the 2025 8-Ball Championship and congrats to all of the finalists and participants. We hope to see you again next year!

ODOC Health Services presents:

An EHR Short-Story

ONCE UPON A TIME ...

...there was a man named Mr. T. He had some health problems, but luckily, Health Services at the Oregon Department of Corrections had a special computer system called an Electronic Health Record (EHR) to help the doctors, nurses, dentists, and BHS work together.

One day, Mr. T had a really bad toothache, so he went to see the dentist, Dr. Larkin. Dr. Larkin looked at Mr. T's electronic health record (EHR) and saw that he had a lot of cavities in the past. He made a plan to fix Mr. T's teeth and asked the rest of the healthcare team to help.

Dr. Larkin talked to Nurse Ana. Together, they noticed that Mr. T was scheduled for sick call because of headaches and feeling tired. Nurse Ana met with Mr. T and updated the EHR with this new information. She thought it was important for Dr. Patel, the main doctor, to check it out.

Dr. Patel read the updated EHR and thought that Mr. T's tooth problems might be causing his other symptoms. She spoke with Dr. Larkin and Nurse Ana, and they decided to do some tests to make sure everything was okay with Mr. T.

Around the same time, BHS Martin met with Mr. T because he was anxious and sad. After looking at the EHR she saw that Mr. T had been recently seen by Dental and Medical and she knew pain can affect feelings. BHS Martin helped Mr. T find ways to feel better.

Thanks to the EHR system, everyone could share information and work together. Mr. T's dental issues were treated, his headaches went away, and he felt happier. The EHR helped make sure Mr. T got the care he needed.

ODOC Servicios de Salud presenta: Una breve historia de EHR

ÉRASE UNA VEZ...

...un hombre llamado Sr. T. Tenía algunos problemas de salud, pero, por suerte, los Servicios de Salud del Departamento Correccional de Oregon tenían un sistema informático especial llamado Historia Clínica Electrónica (EHR, por sus siglas en inglés) para ayudar a los médicos, enfermeras, dentistas y BHS a trabajar juntos.

Un día, el Sr. T tuvo un fuerte dolor de muelas, así que fue a ver al dentista. El Dr. Larkin revisó la historia clínica electrónica del Sr. T y vio que había tenido muchas caries en el pasado. Elaboró un plan para arreglar los dientes del Sr. T y pidió al resto del equipo de atención médica que lo ayudaran.

El Dr. Larkin habló con la enfermera Ana. Juntos, notaron que el Sr. T tenía una cita programada por dolores de cabeza y cansancio. La enfermera Ana se reunió con el Sr. T y actualizó el EHR con esta nueva información. Pensó que era importante que el Dr. Patel, el médico principal, lo revisara.

El Dr. Patel leyó el EHR actualizado y pensó que los problemas dentales del Sr. T podrían estar causando otros de sus síntomas. Habló con el Dr. Larkin, la enfermera Ana, y decidieron hacer algunas pruebas para asegurarse de que todo estuviera bien con el Sr. T.

En ese mismo momento, la especialista de BHS Martin se reunió con el Sr. T porque estaba ansioso y triste. Después de revisar el EHR, vio que el Sr. T había sido atendido recientemente por el departamento de Odontología y Medicina, y sabía que el dolor puede afectar las emociones. La especialista de BHS Martin ayudó al Sr. T a encontrar formas de sentirse mejor.

Gracias al sistema EHR, todos pudieron compartir información y trabajar juntos. Los problemas dentales del Sr. T fueron tratados, sus dolores de cabeza desaparecieron y se sintió más feliz. El EHR contribuyó a asegurar que el Sr. T recibiera la atención que necesitaba.

Community-Based PREA Advocacy (Support) Program

ODOC has partnered with community based, confidential advocates of sexual abuse victims to provide services to inmates. Inmates at ODOC who have experienced sexual abuse may reach a community-based advocate by dialing 711 inmate telephone systems, or may request a private call through the PREA Compliance Manager at the facility. Advocates provide victims of sexual abuse information about their options, resources, information and emotional support. There is no charge for calls to advocates.

Role of an Advocate:

- Offer resources and referrals

Advocates will:

- Not tell you what to do
- Not communicate with the institution unless you request them to do so and sign a release
- Not provide legal advice

Community-based advocacy centers provide sexual abuse support to people of all genders. Community-based advocates will not report unless you request them to do so and if you sign a release of information.

DOC is committed to providing inmates with avenues to seek assistance. Below are additional resources:

**Just Detention International Headquarters
