Oregon State Penitentiary Internal PREA Audit April 16th-18th

In 2003 the federal government enacted the Prison Rape Elimination Act (PREA). In May 2012, the US Department of Justice released its final rule in accordance with PREA. The purpose of this law is to reduce sexual abuse and sexual harassment in confinement settings by focusing on prevention, detection, and response.

The Oregon Department of Corrections fully supports the guidelines set forth in this law and remains committed to a zero-tolerance policy for sexual abuse and sexual harassment and retaliation for reporting an incident. Sexual abuse or harassment from other AICs or staff is never okay and never your fault.

There are some key things you can do to protect yourself from being a victim.

- Avoid isolated or secluded areas
- Be aware of your body language
- Never share personal information
- Never borrow canteen items
- Never accept gifts from another AIC
- Be cautious of AICs offering to protect you
- Report all acts of violence against you

If you are the victim of sexual abuse or sexual harassment, your best defense is to report the incident as quickly as possible. There are multiple ways to report, including reporting anonymously.

- In person to any staff
- Through an AIC communication
- Through the grievance system
- Call the Inspector General's Hotline (Pick up handset, make language selection and dial "91")
- Write the Governor's Office (State Capitol, Room Suite 254, 900 Court St., Salem, Oregon 97301), and you can request to remain anonymous
- Friends or family can report on your behalf (877- 831-0389)

You can be assured that the information will be received in a confidential manner.

If you have been victimized, it is important to remember not to wash away the evidence.

- Don't shower
- Don't remove or wash your clothes
- Don't brush your teeth

The Department of Corrections rules prohibit any form of sexual activity. Beyond rules, forced or coerced sexual behavior is a criminal offense and the department will take every action possible to hold perpetrators accountable, including prosecution resulting in additional time in prison.

You need to be aware that it is against the law for staff, contractors, or volunteers to engage in any type of sexual activity with an AIC. By law, an incarcerated person is unable to legally consent to sexual activity of any kind with a staff member. This type of activity is referred to as Staff Sexual Misconduct and is punishable up to and including loss of employment, or imprisonment. Any reports of such incidents will be investigated thoroughly by State Police, and the employee will be held accountable if found guilty.

AICs who allege sexual misconduct by staff or other AICs, and whose allegations are proven by investigators to be false, or who through investigation have been determined to have engaged in sexual solicitation of staff or AICs, will be held accountable through all means available to the DOC. That said, if you make a report that is investigated, but cannot be proven, you will not be punished for making the report.

As part of the PREA standards, staff must announce their presents when they enter a housing unit where there are AIC's of the opposite gender as themselves. This must be done any time the status quo of the gender supervision on a housing unit changes (if there is already an opposite gender staff on the unit then there is not needed to re-announce). These opposite gender announcements are done utilizing a doorbell system. When you hear

the doorbell, opposite gender staff will be entering the housing unit.

It is also important you undress in the appropriate locations. There are cameras throughout the facility so the designated changing/bathroom areas are the only areas you should be without undergarments.

LEGAL LIBRARY

Law Library Closure: Week of April 28-May 2, 2025

DOC Law Libraries will be closed across the state for all-staff training during the last week of April. Annual training allows us to keep Library Coordinators up-to-date and increase the quality of services provided within institutions and to AICs. We appreciate your understanding and look forward to resuming regular services after this event.

Please plan to make law library requests around these closures. If you have a deadline during this time, please plan to have all work completed prior as we will be unable to provide services during our planned closure.

Institution-specific information is posted in the facility library.

POINT TO PONDER

Summer Night Yard Procedures 2025

Summer evening yard will begin on March 30, 2025 with C/E Blocks, **This will be a Sunday night.** The following procedures will be in effect for the duration:

1. AIC's whose block has summer evening yard may go to yard at the 4:30 p.m. optional yard line or after their block is released for the evening meal. They may eat and then go directly to the yard. (**This does not apply to NCI Level 1's on the weekends**)
2. NCI Level 3 AIC's will be allowed to attend summer night yard, in their chow rotation. There will not be a special line movement from the housing units. They will enter the yard through the turnstile either directly from the housing unit when released for chow, or after completing their meal.
3. Any AIC's who returns to his housing unit from the dining room will not be permitted to go to the yard.
4. No turnouts will be run from the recreation yard. The only exception will be AIC's on education turnouts. These AIC's will be called off of the yard by the yard sergeant and they will exit the yard through Gate 3 and pass through the security gate. Once released from the yard, they will immediately go to their callout destination.
5. AIC'S leaving the porch area of the dining room for the recreation yard will go to the yard and will not be permitted to loiter by the yard fence.
6. AIC's who shower in the Clothing Room at 7:00 p.m. will be permitted to go to the yard after their shower; or go directly to the yard from work. AIC's that return to their housing unit after showering may not be allowed to go to the yard.
7. A pill line is run after yard comes in, if yard comes in before 8:00p.m. During long yard periods (lasting until **after** 8:00 p.m.) an optional cell line will be called at 7:30p.m. AIC's needing medication would come in with the optional cell line and **will** be allowed to return to the yard.
8. Showers on the yard will start at 6:00p.m. and will stop 45 minutes before yard is recalled.
9. Ice and/or beverages cannot be taken off the yard. The OIC has latitude to make adjustments regarding ice during extreme weather.
10. Yard recall will be determined by the Officer-in-Charge.
11. When the yard is recalled, all AIC's will leave promptly and in an orderly manner. Equipment is called approximately 15 minutes prior to yard recall. Take this time to say your goodbyes on the telephone, to gather items and prepare to leave.
12. The Recreation Building, with the exception of the Card Room, will not be open during the evening yard regardless of the weather conditions. The Card Room will open at the conclusion of the evening meal.
13. During softball season, players and officials will normally be afforded 20 minutes to shower at the conclusion of a game. If the evening meal is running quickly, players may be called to dinner before being given time to shower. They will then be required to leave the yard **unless** it is their housing unit's normal night for evening yard.
14. NCI Level 1 AIC's will not be authorized to attend the evening weekend yard (Saturday and Sunday).

ATTENTION: NEW MAIL RULE UPDATE

On March 26, 2025, Chief of Security, Mr. Brian Stephen, sent this message to all Mailroom Staff:

The mail rule was recently changed in an effort to mitigate known methods of contraband introduction via mail. One of the changes is here:

Incoming Mail

(4) Authorized Envelopes:

(a) Except for mail that is addressed and received directly from the Corrections Ombudsman, a government entity, an approved vendor, publisher, treatment facility, health care provider, or is properly marked as “legal” or “official” mail, incoming mail must be enclosed in a commercially produced envelope using standard weight (20 pound or less) white paper that is no larger than 9” x 12”.

(b) Examples of envelopes that will not be accepted include, but are not limited to, the following:

(A) Any non-white envelope.

(B) Envelopes larger than 9” by 12” (except as provided in subsection (4)(a) of this rule).

(C) Envelopes that are not commercially produced.

(D) Envelopes made of cardboard, padded, corrugated, or tear-resistant material.

(E) Envelopes constructed of heavy weight paper (that is, greater than 20 pound) or **with security screening features**.

An unintended consequence of this rule change has been discovered:

It was not, and is not, the intention of the ODOC to prevent AICs from receiving banking, other financial, or stock information. Some of this information is important for AICs to receive to allow them to file tax information correctly. Envelopes from businesses who deal with this information are predominantly “security” envelopes. It is a policy decision to allow these envelopes, coming from financial institutions into the facilities. These are not “legal mail” or “official mail” so can still be searched as normal, but this mail should be allowed in the facility despite the coloring or security features on the envelope. If there are other violations or concerns, they can be addressed individually and dealt with accordingly.

Acting LIO/PIO, Sandra Curtiss

'The Braille Cell' Through the Eyes of an AIC at OSP

Hello, my name is Jason Cizek, and I work in The OCE Braille Program at OSP. I am currently halfway through the NLS UEB Literary Braille Certification Course through the National Federation for the Blind, where I'm learning how to transcribe Braille for the visually impaired community. Having been incarcerated for 13 years, this is the first time I've ever felt that I've been given a real opportunity to learn a new skill that will truly change my future for the better. Upon my release from prison, I will be 54 years old, and I will have a trade I can take with me that will translate into job opportunities. After spending most of my life as a mechanic and welder, I'll have the chance to work at a desk for those later years of my life.

This job has not only taught me valuable skills, but I also plan to start my own business. My goal, after my release, is to hire a few fellow AICs from this program once they are released. I aim to help them transition into productive members of society by offering employment and supporting them through appointments like meetings with parole officers, AA, NA, food stamps, or any other required classes. I truly believe in the power of this program, and I hope OCE will offer more job skills training

programs like this one to give us all a real chance at a productive life upon release.

My coworkers and I have come up with the name "The Braille Cell." Be sure to share it with everyone you know!

Application submission process: If you are interested in applying, complete a DOC Work Application referencing the OCE Braille Program C/O La'Stasha Kellogg and send it to the OSP Contact Center. We will continue accepting applications for future openings.
