Restorative Justice Survivor of Harm Group

The Survivor of Harm Group is designed to bring people who have been harmed together with people who have harmed for an open and honest discussion on creating harm, the ripple effects, what acts of accountability looks like, needs of both harmed and the responsible person, making amends, and what healing looks like through a Restorative Justice approach.

Most people who have harmed never hear about the psychological, physical, social, financial, and spiritual

impact of their actions on the people they harmed. Some may not even understand how such harms have impacted themselves.

- The group consists of 13 weeks and will be facilitated by outside volunteers.
- Group is held every Monday afternoon 1:00 p.m. through 3:00 p.m. on the Chapel floor starting March 3.

There is limited space, so if you cannot make the time commitment, please do not sign up. All are welcome. If you are interested send a kite to the Chapel address R.J. Survivor's Group.

POINT TO PONDER

Summer Night Yard Procedures

2025

Summer evening yard will begin on March 30, 2025 with C/E Blocks, **This will be a Sunday night.** The following procedures will be in effect for the duration:

1. AIC's whose block has summer evening yard may go to yard at the 4:30 p.m. optional yard line or after their block is released for the evening meal. They may eat and then go directly to the yard. (**This does not apply to NCI Level 1's on the weekends**)
2. NCI Level 3 AIC's will be allowed to attend summer night yard, in their chow rotation. There will not be a special line movement from the housing units. They will enter the yard through the turnstile either directly from the housing unit when released for chow, or after completing their meal.
3. Any AIC's who returns to his housing unit from the dining room will not be permitted to go to the yard.
4. No turnouts will be run from the recreation yard. The only exception will be AIC's on education turnouts. These AIC's will be called off of the yard by the yard sergeant and they will exit the yard through Gate 3 and pass through the security gate. Once released from the yard, they will immediately go to their callout destination.
5. AIC'S leaving the porch area of the dining room for the recreation yard will go to the yard and will not be permitted to loiter by the yard fence.
6. AIC's who shower in the Clothing Room at 7:00 p.m. will be permitted to go to the yard after their shower; or go directly to the yard from work. AIC's that return to their housing unit after showering may not be allowed to go to the yard.
7. A pill line is run after yard comes in, if yard comes in before 8:00p.m. During long yard periods (lasting until **after** 8:00 p.m.) an optional cell line will be called at 7:30p.m. AIC's needing medication would come in with the optional cell line and **will** be allowed to return to the yard.
8. Showers on the yard will start at 6:00p.m. and will stop 45 minutes before yard is recalled.
9. Ice and/or beverages cannot be taken off the yard. The OIC has latitude to make adjustments regarding ice during extreme weather.
10. Yard recall will be determined by the Officer-in-Charge.
11. When the yard is recalled, all AIC's will leave promptly and in an orderly manner. Equipment is called approximately 15 minutes prior to yard recall. Take this time to say your goodbyes on the telephone, to gather items and prepare to leave.
12. The Recreation Building, with the exception of the Card Room, will not be open during the evening yard regardless of the weather conditions. The Card Room will open at the conclusion of the evening meal.
13. During softball season, players and officials will normally be afforded 20 minutes to shower at the conclusion of a game. If the evening meal is running quickly, players may be called to dinner before being given time to shower. They will then be required to leave the yard **unless** it is their housing unit's normal night for evening yard.
14. NCI Level 1 AIC's will not be authorized to attend the evening weekend yard (Saturday and Sunday).

ATTENTION: NEW MAIL RULE UPDATE

On March 26, 2025, Chief of Security, Mr. Brian Stephen, sent this message to all Mailroom Staff:

The mail rule was recently changed in an effort to mitigate known methods of contraband introduction via mail. One of the changes is here:

Incoming Mail

(4) Authorized Envelopes:

- (a) Except for mail that is addressed and received directly from the Corrections Ombudsman, a government entity, an approved vendor, publisher, treatment facility, health care provider, or is properly marked as “legal” or “official” mail, incoming mail must be enclosed in a commercially produced envelope using standard weight (20 pound or less) white paper that is no larger than 9” x 12”.
- (b) Examples of envelopes that will not be accepted include, but are not limited to, the following:
 - (A) Any non-white envelope.
 - (B) Envelopes larger than 9” by 12” (except as provided in subsection (4)(a) of this rule).
 - (C) Envelopes that are not commercially produced.
 - (D) Envelopes made of cardboard, padded, corrugated, or tear-resistant material.
 - (E) Envelopes constructed of heavy weight paper (that is, greater than 20 pound) or **with security screening features.**

An unintended consequence of this rule change has been discovered:

It was not, and is not, the intention of the ODOC to prevent AICs from receiving banking, other financial, or stock information. Some of this information is important for AICs to receive to allow them to file tax information correctly. Envelopes from businesses who deal with this information are predominantly “security” envelopes. It is a policy decision to allow these envelopes, coming from financial institutions into the facilities. These are not “legal mail” or “official mail” so can still be searched as normal, but this mail should be allowed in the facility despite the coloring or security features on the envelope. If there are other violations or concerns, they can be addressed individually and dealt with accordingly.

Acting LIO/PIO, Sandra Curtiss
