Start a new routine

How to Start a New Routine and Stick to It

- 1. Decide what needs to be in your routine. Do you want to get more exercise or more alone time? ...
- 2. Set small goals. Break each large goal into smaller goals. ...
- 3. Layout a plan. ...
- 4. Be consistent with time. ...
- 5. Be prepared. ...
- 6. Make it fun! ...
- 7. Track your progress. ...
- 8. Reward yourself.

Establish Healthy Routines

1. Assess Your Current Lifestyle:

- **a. Identify your current habits:** before making changes, understand your current lifestyle, including your sleep patterns, eating habits, and exercise routine.
- **b. Set realistic goals:** Start with small, achievable goals rather than trying to overhaul everything at once.

2. Focus on Key Areas:

- a. **Prioritize Sleep**: Aim for 7-9 hours of quality sleep per night to support physical and mental health.
- **b.** Improve Nutrition: Focus on a balanced diet rich in fruits, vegetables, and lean protein.
- **c. Incorporate Exercise:** Find activities you enjoy and aim for at least 30 minutes of moderate intensity exercise most days of the week.
- d. **Stay Hydrated:** Drink plenty of water throughout the day.
- **e. Manage Stress:** Incorporate relaxation techniques like meditation, yoga, or spending time in nature.

3. Create a Structured Approach:

- **a.** Plan Ahead: Plan meals, workouts, and other healthy activities in advance.
- **b. Set a Schedule:** Create a daily or weekly schedule that incorporates your healthy habits.
- **c. Use Routines:** Routines help establish and reinforce healthy habits by providing a consistent framework for daily activities.
- **d. Habit Stacking:** Link new habits to existing ones to make them easier to adopt. For example, you could stack a walk after dinner with a healthy snack.

4. Make it Sustainable:

- **a. Start Small:** Don't try to change everything at once. Start with one or two small changes and gradually add more.
- **b.** Make it Fun: Find activities you enjoy and make them a part of your routine.
- **c. Reward Yourself:** Celebrate your successes to stay motivated.
- **d. Be Patient:** It takes time to build new habits, so be patient and don't get discouraged if you slip up occasionally.
- **e. Stay Hydrated:** Water is essential for the proper functioning of all body cells, tissues, and organs.

PRCF AIP TRANFERS -

2024 the decision was made to ensure all Adults in Custody (AIC) participating in the Alternative Incarceration Program (AIP) are transferred to correctional facilities closer to their county of record prior to the beginning of the non-prison leave (NPL). The goal of this change was to ensure individuals releasing from the Oregon Department of Corrections (ODOC) can return to their communities and report for supervision in the most timely, safe, reliable, and efficient manner possible.

Earlier this year, conversations began addressing concerns related to AICs not being able to take advantage of the full AIP program due to transferring out up to two weeks prior to their program completion and beginning of their NPL. The concerns were viable, and the department wants to ensure AICs can take full advantage of the services AIP provides. To ensure an AIC can complete the program prior to transferring to a closer facility for release onto NPL, the decision was made to extend the time between the institution program completion date start date will be set to the last business day prior to the weekend or holiday.

If you have questions related to this process change, please contact your treatment team.

Please plan to make law library requests around these closures. If you have a deadline during this time, please plan to have all work completed prior as we will be unable to provide services during our planned closure.

AIC Newsletter Article 2022

Prison Rape Elimination Act (PREA Information)

The Oregon Department of Corrections (ODOC) has a zero-tolerance policy for sexual abuse, sexual harassment and for retaliation for reporting an incident. You may report in person to any staff, through an AIC communication, through the grievance system, by calling the PREA hotline by making a language selection, then dialing 91 from any AIC phone.

Filing an Anonymous PREA Report

If you are uneasy about filing a PREA allegation, you may file an anonymous report with an outside agency. You may write to:

Governor's Constituent Services Office 900 Court Street NE, Suite 254

Salem, Oregon 97301

Please indicate in the beginning of your letter you are filing a PREA allegation, and you are requesting to remain

anonymous. The Governor's Office will refer all anonymous allegations to the DOC PREA Coordinator to assure an investigation is completed based off the information that is provided.

Opposite Gender Viewing/Announcements

Opposite gender staff announcement themselves when entering a housing unit by ringing a bell. This must be done any time the status quo of the gender supervision on a housing unit changes (if there is already an opposite gender staff on the unit then there is not needed to re-announce). When you hear the doorbell, opposite gender staff will be entering the housing unit so please make sure you are covered up appropriately.

It is also important you undress in the appropriate locations. If you are in a bunk area, there are cameras throughout the facility so the designated changing/bathroom areas are the only areas you should be without undergarments. Opposite gender viewing may happen incidentally when staff are conducting routine cell checks. You can minimize this by keeping aware of the gender of supervision in your housing unit and ensuring you cover up when possible.

Community-Based PREA Advocacy (Support) Program

ODOC has partnered with community based, confidential advocates of sexual abuse victims to provide services to AICs. AICs at ODOC who have experienced sexual abuse may reach a community-based advocate by making a language selection, entering your AIC PIN, then press 0*711 AIC telephone systems, or may request a private call through the PREA

Compliance Manager at the facility. Advocates provide victims of sexual abuse information about their options, resources,

information, and emotional support. There is no charge for calls to advocates.

The community-based advocacy crisis line is for individuals needing assistance coping with sexual abuse related issues and should not be used for other purposes.

Telephone calls and mail with community-based advocacy centers is considered privileged communication and will be handled like legal calls/official mail. All advocacy calls are not monitored or recorded.

Advocates provide confidential support and crisis intervention, inform you about the investigation and medical examination process, educate you about healing from sexual abuse and offer resources and referrals.

Advocates will not tell you what to do, communicate with the institution unless you request them to do so and sign a release and will not provide legal advice.

Community-based advocacy centers provide sexual abuse support to people of all genders. Community-based advocates will not report unless you request them to do so and if you sign a release of information.

Just Detention International Headquarters is a national advocacy resource and can be reached at: 3325 Wilshire Blvd., Suite 340

Los Angeles, CA 90010

If you have any other questions regarding PREA, you may ask any staff member, write the PREA Compliance Manager at your institution, or you may write:
