Should you become ill or otherwise need medical attention during other times of the day, consult your supervisor, or housing unit officer. ## Oregon Corrections Enterprises – CAD Department

In the OCE CAD shop, we turn ideas into reality—guiding projects from concept to completion. During quoting, we create 3D models and bills of materials (BOMs) to help clients visualize designs and provide accurate cost estimates.

Using tools like Autodesk Inventor, AutoCAD, 3ds Max, and Adobe software, we produce precise models, technical drawings, and realistic renderings that aid client decision-making. Based on client feedback, we refine designs to meet expectations before producing final shop drawings and production packets.
