Commissary News! The box for the Treva 5" Fan \$12.56 sold on commissary states that a power cord comes with the fan. The ISM's approved the sale of the fan if the cord was removed due to security issues. We do apologize. We have found a vendor that provides an acceptable power cord that is within security's specifications. This is the Clear Fan Adapter Cord that sells for \$10.25 on the commissary form. The fan is also battery powered therefore no power cord needed.
