# 2025 Dominoes Tournament Championship Recap

Throughout the month of April, the recreation department held a tournament down at TRAC to see who the best teams in the domino game are out there. We had a total of 17 teams from various Incentive units and one team from Minimum, a couple of the top teams came from unit 13; while other teams that have put up a good fight are from units 10 and 11. The championship which was held on Monday, April 28<sup>th</sup> was a blast. Teams were able to invite friends and enjoy popcorn and lemonade. The team from unit 11 Lamas/Nunez originally lost their first match and went to the loser's bracket to work their way back up to the final round against the unit 13 team Robinson/Andrizzi. The championship between Robinson/Andrizzi (U13) and Lamas/Nunez (U11) went down with unit 13 ahead by a landslide until unit 11 came back and stole game 1 by 20 points. Since it was unit 13's first loss, unit 11 had to beat them twice to win the championship and that they did. Unit 11 won the final game by 85 points and sealed unit 13's fate as the first-place losers. All in all, it was a successful tournament and everyone had a good time that participated. We hope to see you again next year.

## Lamas/Nunez (U11) Champions

*The Paradigm Shift Club has taken on the responsibility of introducing new-comers to prison or just new to this institution to what life is like at Two Rivers Correctional Institute through Admittance and Orientation (A+O).*

*We've been running this service going on almost a year now in August. We find satisfaction as a club to be able to provide new AIC's with information on how to navigate time whilst incarcerated. We meet with a new group every 3<sup>rd</sup> Thursday of the month and now have started partnering with Toastmasters so that they can have a voice in sharing their experience and how they can impact the lives of AIC's. The club hopes to provide this service for a long time moving forward.*

### **News:**

The box for the Treva 5" Fan \$12.56 sold on commissary states that a power cord comes with the fan. The ISM's approved the sale of the fan if the cord was removed due to security issues. We do apologize. We have found a vendor that provides an acceptable power cord that is within security's specifications. This is the Clear Fan Adapter Cord that sells for \$10.25 on the commissary form. The fan is also battery powered therefore no power cord needed.

Thank you for your understanding and for always supporting your commissary operations. As we work daily to bring you new items and to keep the AIC welfare fund running.

Opportunity Oregon is a program making a difference in the lives of those formerly incarcerated in Oregon through education, job training and job placement assistance. The program provides employment opportunities to individuals who have been released and are looking to rebuild their lives outside prison walls. We work towards raising awareness among Oregon employers about the benefit of hiring the previously incarcerated. Through partnerships with businesses throughout Oregon willing to hire those with a criminal record, we provide ongoing support to ensure program participants maintain employment and thrive in their new path. Opportunity Oregon's mission is to break the cycle of recidivism, remove barriers to employment and provide participants tools they need to succeed.

*I used to be doing time just like you. When I got out, someone gave me a chance to prove myself and do better. Now, I want to do the same for you. Have you done what it takes?*

If you are uneasy about filing a PREA allegation, you may file an anonymous report with an outside agency.

You may write to:

**Governor's Office of Constituent Services
