Effective immediately, AICs can submit Visiting Applications electronically via the tablets!

With this simplified option available, Visiting Services will no longer accept applications submitted by counselors and/or support staff, on behalf of an AIC.

This change is to ensure consistent, adequate and equitable services for all!

If possible, please share with others at your facility that may be impacted by this update. Please do not hesitate to reach out with any questions. Thank you for your continued partnership!

What are the best exercises for losing weight?

The best exercises to incorporate into a weight-loss training program are those that promote calorie burn. These fall into two categories:

- **Strengthening exercises:** More muscle mass increases metabolic rate, therefore increasing your daily energy needs.
- **Aerobic/cardio exercises:** Helps with the goal of expending more energy and burning more calories.

• Strength training and cardio: A balanced approach

- Strength training is a powerful tool for enhancing your [body composition](#) by increasing muscle mass. Not only does this make you stronger, but it also boosts your metabolism. Increased muscle mass means your body burns more calories, not just during exercise, but even while you're resting.
- If you're new to strength training, don't be alarmed by a slight [initial weight gain](#). This is often due to temporary water retention, which is a normal physiological response to starting a new exercise routine.
- Cardio exercises like jogging, cycling, or [rowing](#) improve your cardiovascular health and burn more calories per hour compared to walking.
- Incorporating both cardio and strength training into your weekly workout routine is highly recommended. This balanced approach ensures you get the best of both worlds, optimizing your fitness and weight loss efforts.

How many days a week should I work out to lose weight?

Daily physical activity is an effective weight-loss strategy. As a baseline, the [Physical Activity Guidelines for Americans](#) recommends that all adults receive 150 minutes of aerobic activity each week. This could be:

- 7 days per week, 20–25 minutes per workout
- 6 days per week, 25 minutes per workout
- 5 days per week, 30 minutes per workout
- 4 days per week, 35–40 minutes per workout

EHR Townhall Q&A

What You Asked. What We Answered.

Health Services is getting ready to launch a new Electronic Health Records (EHR) system. At a recent Townhall at Coffee Creek, adults in custody (AICs) asked great questions—here's what the EHR Project Team had to say:

 Will the EHR work with hospitals outside DOC?

✓ Yes! The system connects to Health Information Exchanges (HIEs). This lets DOC staff see your hospital and ER records faster—no waiting for fax or mail.

 Are patient paper charts being scanned?

✓ Yes! Overflow charts are already scanned and stored safely. Your current charts will also be scanned when the EHR goes live.

 Will AICs still use paper kytes?

✓ Yes! Keep using paper kytes the same way. When the EHR goes live, they'll be scanned and added to your digital health record.

 How will I know about appointments?

✓ No changes! Just keep checking call outs like always.

More updates are coming soon. Thanks for your questions!

Questions about the EHR? Send a kyte to AskEHR

PRCF AIP TRANSFERS -

2024 the decision was made to ensure all Adults in Custody (AIC) participating in the Alternative Incarceration Program (AIP) are transferred to correctional facilities closer to their county of record prior to the beginning of the non-prison leave (NPL). The goal of this change was to ensure individuals releasing from the Oregon Department of Corrections (ODOC) can return to their communities and report for supervision in the most timely, safe, reliable, and efficient manner possible. Earlier this year, conversations began addressing concerns related to AICs not being able to take advantage of the full AIP program due to transferring out up to two weeks prior to their program completion and beginning of their NPL. The concerns were viable, and the department wants to ensure AICs can take full advantage of the services AIP provides. To ensure an AIC can complete the program prior to transferring to a closer facility for release onto NPL, the decision was made to extend the time between the institution program completion date and the date the NPL begins. Reentry and Release personnel, specifically release counselors, will set NPL start dates 14 days after the program completion date. If the NPL start date falls on a weekend or holiday, the NPL start date will be set to the last business day prior to the weekend or holiday. If you have questions related to this process change, please contact your treatment team.

Court Ordered Financial Obligations (COFOs)

What are Court Ordered Financial Obligations (COFOs)?

COFOs are financial obligations owed by an Adult in Custody (AIC) assigned during a legal proceeding. COFOs may consist of restitution, fines, fees, child support, or civil judgements including money owed to a victim. *Note: COFOs are not the same as County and U.S. Court Filing Fees.*

Why does the Department of Corrections (DOC) collect COFOs?

Oregon Revised Statute (ORS) 423.105 became law in 2017, directing DOC to collect COFOs on behalf of the Oregon Judicial Department (OJD) and the Department of Justice (DOJ).

How are COFOs collected?

COFOs are collected from eligible deposits, or deposits that are not protected from debt and obligation collection. Examples of eligible deposits include AIC performance monetary awards (PRAS) and moneys received from an AIC's family or friends.

10% of each eligible deposit is collected until the AIC's transitional savings has reached \$500. After the AIC's transitional savings has reached \$500, 15% of each eligible deposit is collected for COFOs until those obligations are satisfied.

Who do I contact if I have questions about COFOs?

DOC is unable to provide case-specific information. AICs with questions or concerns about their COFO details should contact OJD/DOJ or the appropriate court of record.

The History Place™

This Month in History

July 11

Birthday - John Quincy Adams (1767-1848) the 6th U.S. President, and son of the 2nd President, John Adams, was born in Braintree, Massachusetts. After serving just one term as President, he served 17 years as a member of Congress. He died in 1848 while in the House of Representatives in the same room in which he had taken the presidential Oath of Office. He was the first president whose father had also been president.

July 12, 1943 - During World War II, in the Battle of Kursk, the largest tank battle in history took place outside the small village of Prohorovka, Russia. About nine hundred Russian tanks attacked an equal number of German tanks fighting at close range. When Hitler ordered a cease-fire, 300 German tanks remained strewn over the battlefield.

July 13, 1787 - Congress enacted the Northwest Ordinance establishing formal procedures for transforming territories into states. It provided for the eventual establishment of three to five states in the area north of the Ohio River, to be considered equal with the original 13. The Ordinance included a Bill of Rights that guaranteed freedom of religion, the right to trial by jury, public education and a ban on slavery in the Northwest.

July 14, 1791 - In England, the Birmingham riot occurred on the second anniversary of the fall of the Bastille. Mob rule lasted for three days, targeting controversial scientist and theologian Joseph Priestly's home and laboratory as well as the homes of his friends. Priestly, who had expressed support for the American and French revolutions, fled to London with his family and later moved to America.

July 15, 1918 - During the Battle of the Marne in World War I, German General Erich Ludendorff launched Germany's fifth, and last, offensive to break through the Chateau-Thierry salient. However, the Germans were stopped by American, British and Italian divisions. On July 18, General Foch, Commander-in-Chief of the Allied troops, launched a massive counter-offensive. The Germans began a retreat lasting four months until they requested an armistice in November

July 16, 1769 - San Diego was founded as the mission San Diego de Alcala by Father Junipero Serra.

July 17, 1918 - In the Russian town of Ekaterinburg in Siberia, former Czar Nicholas II, his wife Alexandra, and their five children were brutally murdered by Bolsheviks.

Prison Rape Elimination Act (PREA Information)

The Oregon Department of Corrections (ODOC) has a zero-tolerance policy for sexual abuse, sexual harassment and for retaliation for reporting an incident. You may report in person to any staff, through an AIC communication, through the grievance system, by calling the PREA hotline by making a language selection, then dialing 91 from any AIC phone.

Filing an Anonymous PREA Report

If you are uneasy about filing a PREA allegation, you may file an anonymous report with an outside agency. You may write to: Governor's Constituent Services Office 900 Court Street NE, Suite 254 Salem, Oregon 97301

Please indicate in the beginning of your letter you are filing a PREA allegation, and you are requesting to remain anonymous. The Governor's Office will refer all anonymous allegations to the DOC PREA Coordinator to assure an investigation is completed based off the information that is provided.

Opposite Gender Viewing/Announcements

Opposite gender staff announcement themselves when entering a housing unit by ringing a bell. This must be done any time the status quo of the gender supervision on a housing unit changes (if there is already an opposite gender staff on the unit then there is not needed to re-announce). When you hear the doorbell, opposite gender staff will be entering the housing unit so please make sure you are covered up appropriately.

It is also important you undress in the appropriate locations. If you are in a bunk area, there are cameras throughout the facility so the designated changing/bathroom areas are the only areas you should be without undergarments. Opposite gender viewing may happen incidentally when staff are conducting routine cell checks. You can minimize this by keeping aware of the gender of supervision in your housing unit and ensuring you cover up when possible.

Community-Based PREA Advocacy (Support) Program

ODOC has partnered with community based, confidential advocates of sexual abuse victims to provide services to AICs. AICs at ODOC who have experienced sexual abuse may reach a community-based advocate by making a language selection, entering your AIC PIN, then press 0*711 AIC telephone systems, or may request a private call through the PREA Compliance Manager at the facility. Advocates provide victims of sexual abuse information about their options, resources,

information, and emotional support. There is no charge for calls to advocates.

The community-based advocacy crisis line is for individuals needing assistance coping with sexual abuse related issues and should not be used for other purposes.

Telephone calls and mail with community-based advocacy centers is considered privileged communication and will be handled like legal calls/official mail. All advocacy calls are not monitored or recorded.

Advocates provide confidential support and crisis intervention, inform you about the investigation and medical examination process, educate you about healing from sexual abuse and offer resources and referrals.

Advocates will not tell you what to do, communicate with the institution unless you request them to do so and sign a release and will not provide legal advice.

Community-based advocacy centers provide sexual abuse support to people of all genders. Community-based advocates will not report unless you request them to do so and if you sign a release of information.

Just Detention International Headquarters is a national advocacy resource and can be reached at: 3325 Wilshire Blvd., Suite 340 Los Angeles, CA 90010

If you have any other questions regarding PREA, you may ask any staff member, write the PREA Compliance Manager at your institution, or you may write:

However, if their family or friends would like to contact Edovo on the AIC's behalf, they can obtain a transcript of the completed courses by filling out a "Request a Learner Transcript" form at [**edovo.com**](https://edovo.com). This form is located at the bottom of the web page, under "Company." They will need the AIC's name, Edovo ID, DOB, and facility.

FOR CYPHERWORX:

CypherWorx offers a system where the incarcerated learner can generate a secure code to share their certificates and transcripts with designated individuals, such as family members or attorneys. This allows these individuals to access and download the learner's educational records. Here's how an incarcerated learner can generate this secure code:

1. Access their profile by clicking the profile image in the top-right corner of the screen.
2. Select "Transcripts" from the dropdown menu.
3. In the "Share Your Certificates" section, click "View Terms and Conditions," then click "I Accept".
4. A unique code will be generated.
5. Share this generated code verbally or in writing with the intended recipient, as long as it complies with facility security guidelines.

This page is designed for individuals who have been given a secure code by an incarcerated learner to access their completed training records. Here's what you can expect:

1. Access the page: Go to <https://cypherworx.com/certificates>.
2. Enter the code: You'll need to enter the code provided by the incarcerated learner.
3. Download: After entering the code, a download button will appear, allowing you to save the learner's certificates and transcripts.

Important Notes:

- This website is for one-way access only; you cannot use it to communicate with the individual who shared the code.
- By using this site, you agree to the terms and conditions and confirm you have permission to access the educational records.
- If you haven't received a code but need access, you can contact CypherWorx to request it.
