Deliveries will begin in September. You must be NCI level 2 or 3 to participate. Refunds will not be given to AIC's that are unable to attend due to their own actions. 75% of proceeds will go to the Four Rivers Community School for backpacks & supplies for local kids, and 25% to the SRCM Senior Christmas Luncheon. For questions, please kyte Mr. Baigrie at box M-04.

Parameters for Transfer Requests To eliminate some confusion regarding transfer requests, the Correctional Services team would like to let everyone know the parameters of transferring to different institutions. Here are the main parameters: *Correctional Counselors can initiate an AIC transfer request when the AIC is less than 12 months to release if the AIC is releasing to a distant county (if there is no hold). *If an AIC applies for and is selected for a program or work opportunity at another facility and that facility reaches out to the counselor asking for a transfer, the transfer can be initiated. *The screening process for transfers takes time and the Correctional Counselor must receive clearance from multiple stakeholders before a transfer request is placed. *AICs cannot be placed on the transfer list if they have medical or program holds. *AICs cannot request specific institutions or when they transfer, and staff cannot share details regarding transfers with AICs for safety and security reasons. *There are long waitlists for minimum and releasing facilities. A transfer request can be in for quite some time before an AIC will transfer. *The Office of Population Management makes the final determination or approval for transfers. Correctional Counselors do not determine the timing of transfers. *STM, Special Housing, Medical, BHS, Security related, TASC, and OPM transfers are initiated and approved by those entities, not by the correctional counselors. This is what the ODOC rule states regarding Hardship Transfers: 291-034-0300: *"While the department recognizes the importance of family and friends in the rehabilitation of inmates, the department is unable to grant transfer requests for the purpose of hardship or convenience."*
