## ADMINISTRATION

### Visiting Applications

Visiting Services recently expanded the options for AICs to be able to submit Visiting Applications. We are excited to share that AICs are now able to electronically submit a visiting application via the tablets. While paper applications will still be made available, this only serves as another option to better serve and empower AICs in getting their applications submitted.

With this additional option offered to AICs, Visiting Services will no longer accept applications that are being submitted by counselors and/or support staff, on behalf of an AIC. For consistency in processing, Visiting Services must ensure we are providing adequate and equitable services to all, to include consistency for which we accept and process applications.

If possible, could you please share with others at your facility that may be impacted by this update.

Please do not hesitate to reach out with any questions. Thank you for the continued partnership!

Respectfully,

/s/ J. Ferguson, Program Services Manager

The following is the procedure when requesting plumbing work repairs in your cell housing or work location.

For your cell housing you are to notify your tier officer or Block Sergeant and give a brief explanation of your issue, staff will then submit a work order request electronically. For plumbing issues at your work location (Example) OCE, Culinary, Yard, etc. Notify your staff supervisor they will then submit a work order request electronically.

# CORRECTIONAL REHABILITATION

## PROGRAM OPPORTUNITY

### Free Your Mind Core (FYM-CORE):

The curriculum incorporates the latest research on the neuroscience of criminal behavior. Participants learn about the basic brain structures involved in interpreting and responding to environmental stimuli and explore how to use this knowledge to establish new neural

pathways and behavioral patterns. The curriculum introduces an innovative (and streamlined) approach to structured skill building. Rather than learning different steps for each social skill, the same four general steps are used to facilitate meaningful repetition of self-control strategies and social skills.

- FYM consists of 55 sessions for a total of 110 total hours
- Classes are held 4 days a week for 2 hours a day (Tuesday – Friday from 7:30 a.m. to 9:30 a.m.)
- Start date: September 5th on the Education Floor
- Eligibility: An ACRS of .15 - .70 and a projected release date after February 2026

If you are interested, please send a communication to your Correctional Counselor or Ms. Lenex on the CSF.

/s/ C. Lenex, Correctional Counselor

# HEALTH SERVICES

## Flu and COVID Vaccine Clinics

*It is that time again. Beginning in October we'll be offering influenza (flu) and COVID vaccines to everyone. You will be approached by Health Services and asked if you would like a vaccine. We encourage you to say yes.*

*Both flu and COVID are highly contagious viruses that can lead to serious health issues. They spread through respiratory droplets and can be passed on even before symptoms appear. Vaccines work by making the body's immune system stronger and helping it to recognize and fight viruses. Vaccines reduce the risk of getting sick, and if you do get sick the symptoms are likely to be much milder and shorter in duration. Getting vaccinated helps to not spread flu or COVID to others.*

*The side effects of vaccines are usually mild, such as tiredness or a sore arm that generally last a day or two. Receiving a yearly vaccine is important, as protection wanes and viruses change over the course of a year, and so newer vaccines are needed to fight them. Getting vaccinated does not give you the illness, the vaccines use inactivated virus components to train your immune system safely. You can receive both flu and COVID vaccines at the same visit, but they will be given in two separate injections. Getting vaccinated is the single most effective way to avoid becoming sick from flu and COVID viruses.*

If you have questions regarding vaccines, you are welcome to ask your health care provider.

## POINT TO PONDER

We are very pleased that our College Inside Associate Degree Program is accepting new students for the upcoming Fall 2025 term. There are limited spots available at this time. If you are interested, please send a kytic to OSP Education to request an application.

**Applications are due on Thursday, August 28, 2025 to OSP Education. We look forward to hearing from you!**

### Frequently Asked Questions...

1. **When will classes start?** Monday, September 29th with a new student orientation before. Please note that construction on the education floor might impact this.
2. **Will it cost anything?** The Federal Government has reinstated Pell Grants for incarcerated individuals, so students in our program apply using the new FAFSA forms after they are accepted. For students who are not eligible for Pell funding, we have some donor funds available. **The Chemeketa College Inside program is free for students.**
3. **How will students apply?** Send a kytic to OSP Education and complete the application, which includes some basic information and two short application essays. If we have more qualified applications than spots available, decisions will be made on the quality of essays. Small preference given to those with previous college credit, but first-time college students are encouraged to apply. All applications need to be submitted by the due date.
4. **Who qualifies?**
  - a. Students must have completed a GED or High School Degree. We welcome recent GED graduates to apply!
  - b. At this time, we will focus on students who will be able to complete their degrees while inside. **Students will have to have at least 2 years left in their sentence, with preference for longer sentences unless they have existing college credits.**
  - c. Students need to be at Level 2 with six months clear conduct, with no compromising staff violations in the last 5 years. Counselors must approve the applicant to participate
5. **If someone already has a degree, can they enroll as a student in this program?** People who already have an Associate or Bachelor Degree are not eligible. People currently enrolled in UO or PSU are eligible to also be Chemeketa students.
6. **Will students get laptops?** No.
7. **Will students get a “hold” to stay at OSP?** Program enrollment does not guarantee you will remain at OSP, and case by case reviews will occur as needed.
