Notice of Fee Increases – Stop Payment and Check Copy Requests

The Oregon State Treasury has increased the processing fees imposed on all government agencies for check stop payment requests and cashed check image copy requests.

- Check stop payment request processing fees have increased from \$10 to \$11 per check
- Cashed check image copy processing fees have increased from \$1.50 to \$2.00 per check

These increased processing fees have been imposed by the Treasury immediately, however, in order to provide the Adult in Custody population with proper notification, Central Trust will not implement these increased fees until September 1st, 2025.

Central Trust will continue to process check stop payment fees and check image copy requests at the previous rate noted on the current forms until September 1st, 2025, after which the new fee will be imposed.

HEALTH SERVICES

Flu and COVID Vaccine Clinics

It is that time again. Beginning in October we'll be offering influenza (flu) and COVID vaccines to everyone. You will be approached by Health Services and asked if you would like a vaccine. We encourage you to say yes.

Both flu and COVID are highly contagious viruses that can lead to serious health issues. They spread through respiratory droplets and can be passed on even before symptoms appear. Vaccines work by making the body's immune system stronger and helping it to recognize and fight viruses. Vaccines reduce the risk of getting sick, and if you do get sick the symptoms are likely to be much milder and shorter in duration. Getting vaccinated helps to not spread flu or COVID to others.

The side effects of vaccines are usually mild, such as tiredness or a sore arm that generally last a day or two. Receiving a yearly vaccine is important, as protection wanes and viruses change over the course of a year, and so newer vaccines are needed to fight them. Getting vaccinated does not give you the illness, the vaccines use inactivated virus components to train your immune system safely. You can receive both flu and COVID vaccines at the same visit, but they will be given in two separate injections. Getting vaccinated is the single most effective way to avoid becoming sick from flu and COVID viruses.

If you have questions regarding vaccines, you are welcome to ask your health care provider.

KOP Medline-

As of September 1, 2025 we will be bringing back the morning in-cell med line or KOP (keep on person) med line. The KOP carts will be on the control floor outside of the fishbowl Monday through Friday during the morning meal and the noon meal. We will do call outs for either 6:15am or 11:15am. The call outs for the KOP line are a notification that you have medication. If you don't make it to your call out time, please feel free to stop by during the other time. For both KOP med lines, you will need to stop on your way to chow. If you wait until after chow to stop by you run the risk that med line will be done for that time slot. KOP med line is over when all the blocks have been called to go to chow.

Find Freedom and Hope Service

UPCI is offering a renewed service starting in January on the 2nd and 4th Thursdays.

We understand the challenges of feeling locked in and locked out. These services are a time to reflect on how the Lord delivers us from what binds us and brings us into His freedom.

- Hear testimonies of transformation and hope.
 - Discover the healing, freeing power of Jesus Christ
 - Embrace the joy of living victoriously through Him.
- Come as you are and discover true freedom in Jesus Christ.

Please send a kyte to the Chapel to sing up for this service.

Volunteer Ministers Doug Lethin & Dennis Mostyn
