To: All Adults in Custody

From: DOC Director Michael Reese

Date: July 29, 2025

The Oregon Department of Corrections (DOC) has been making major improvements to healthcare for adults in custody (AICs) by bringing in experts, increasing staff, and updating operations.

The Health Services Division has already made several changes to the Therapeutic Levels of Care (TLC) process that remove delays in access to care. Offsite medical scheduling has been reorganized to help address the backlog of needed outside medical trips. DOC is also in the process of switching from using paper medical records for AICs to electronic health records (EHR). The update is a two-phase process and will be fully complete by the end of 2025.

Earlier this year, DOC hired the Falcon Group, a national consulting firm specializing in correctional healthcare, and they have conducted a thorough review of DOC's healthcare system. Falcon has provided DOC with a report of their findings, key observations, and a series of recommendations as part of their report. DOC will take the next 120 days to review the report and determine next steps. We are committed to providing the care you need while incarcerated. Thank you for your patience and understanding.

The report will be available on AIC tablets and kiosks.

Effective immediately, AICs can submit Visiting Applications electronically via the tablets!

With this simplified option available, Visiting Services will no longer accept applications submitted by counselors and/or support staff, on behalf of an AIC.

This change is to ensure consistent, adequate and equitable services for all!

If possible, please share with others at your facility that may be impacted by this update. Please do not hesitate to reach out with any questions. Thank you for your continued partnership!

Is running good for weight loss?

Running is certainly a great way to burn calories, and it's a good cardiovascular activity. Weight loss aside, running — like any cardiovascular exercise — has a number of health benefits, both mental and physical. Regular running can help:

- Strengthen muscles and bones
- Increase endurance levels
- Lower the risk of heart disease or stroke
- Improve mental health, self-confidence, and overall quality of life
- Help you <u>sleep better</u>

However, the key to losing weight through running is by doing it consistently for weeks or months, so you have to be willing to stick with it.

"At least as an initial strategy, I generally don't recommend running for weight loss," says AF Coach Heather Anderson, CPT. "For the average fitness or gym newbie, running can be hard on the body and the benefits may not outweigh those drawbacks."

For those who are just getting started with their fitness journey, it's important to know about the downsides of running and be able to anticipate them ahead of time. Otherwise, you might see outcomes that are in direct contrast to your goals.

One example: "Running makes you HUNGRY," Coach Heather says. "People often miscalculate how much they burned during their run and end up eating more than they need because of the increase in hunger signals." For those on a weight-loss journey, it can mean actually gaining weight when you first start out. "That's why being cognizant of this ahead of time and making a plan to refuel wisely can help prevent you from falling into this trap."

+ EHR Townhall Q&A

What You Asked. What We Answered.

Health Services is getting ready to launch a new Electronic Health Records (EHR) system. At a recent Townhall at Coffee Creek, adults in custody (AICs) asked great questions—here's what the EHR Project Team had to say:

- Will the EHR work with hospitals outside DOC?
- ✓ Yes! The system connects to Health Information Exchanges (HIEs). This
 lets DOC staff see your hospital and ER records faster—no waiting for fax
 or mail.
- Are patient paper charts being scanned?
- ✓ Yes! Overflow charts are already scanned and stored safely. Your current charts will also be scanned when the EHR goes live.
- Will AICs still use paper kytes?
- ✓ Yes! Keep using paper kytes the same way. When the EHR goes live, they'll be scanned and added to your digital health record.
- How will I know about appointments?
- ✓ No changes! Just keep checking call outs like always.

More updates are coming soon. Thanks for your questions!

PRCF AIP TRANFERS -

2024 the decision was made to ensure all Adults in Custody (AIC) participating in the Alternative Incarceration Program (AIP) are transferred to correctional facilities closer to their county of record prior to the beginning of the non-prison leave (NPL). The goal of this change was to ensure individuals releasing from the Oregon Department of Corrections (ODOC) can return to their communities and report for supervision in the most timely, safe, reliable, and efficient manner possible. Earlier this year, conversations began addressing concerns related to AICs not being able to take advantage of the full AIP program due to transferring out up to two weeks prior to their program completion and beginning of their NPL. The concerns were viable, and the department wants to ensure AICs can take full advantage of the services AIP provides. To ensure an AIC can complete the program prior to transferring to a closer facility for release onto NPL, the decision was made to extend the time between the institution program completion date and the date the NPL begins. Reentry and Release personnel, specifically release counselors, will set NPL start dates 14 days after the program completion date. If the NPL start date falls on a weekend or holiday, the NPL start date will be set to the last business day prior to the weekend or holiday. If you have questions related to this process change, please contact your treatment team.

Financial Services Informational Briefing

Court Ordered Financial Obligations (COFOs)

What are Court Ordered Financial Obligations (COFOs)?

COFOs are financial obligations owed by an Adult in Custody (AIC) assigned during a legal proceeding. COFOs may consist of restitution, fines, fees, child support, or civil judgements including money owed to a victim. *Note: COFOs are not the same as County and U.S. Court Filing Fees.*

Why does the Department of Corrections (DOC) collect COFOs?

Oregon Revised Statute (ORS) 423.105 became law in 2017, directing DOC to collect COFOs on behalf of the Oregon Judicial Department (OJD) and the Department of Justice (DOJ).

How are COFOs collected?

COFOs are collected from eligible deposits, or deposits that are not protected from debt and obligation collection. Examples of eligible deposits include AIC performance monetary awards (PRAS) and moneys received from an AIC's family or friends.

10% of each eligible deposit is collected until the AIC's transitional savings has reached \$500. After the AIC's transitional savings has reached \$500, 15% of each eligible deposit is collected for COFOs until those obligations are satisfied.

Who do I contact if I have questions about COFOs?

DOC is unable to provide case-specific information. AICs with questions or concerns about their COFO details should contact OJD/DOJ or the appropriate court of record.

August 8, 1945 - Soviet Russia declared war on Japan and sent troops into Japanese-held Manchuria.

August 9, 1945 - The second Atomic bombing of Japan occurred as an American B-29 bomber headed for the city of Kokura, but because of poor visibility then chose a secondary target, Nagasaki. About noon, the bomb <u>detonated</u> killing an estimated 70,000 persons and <u>destroying</u> about half the city.

August 10, 1492 - **Birthday** - <u>Herbert Hoover</u> (1874-1964) the 31st U.S. President was born in West Branch, Iowa. He was the first President born west of the Mississippi.

August 11-16, 1965 - Six days of riots began in the Watts area of Los Angeles, triggered by an incident between a white member of the California Highway Patrol and an African American motorist. Thirty-four deaths were reported and more than 3,000 people were arrested. Damage to property was listed at \$40 million.

August 12, 1676 - King Philip's War ended with the assassination of Metacom, leader of the Pokanokets, a tribe within the Wampanoag Indian Federation. Nicknamed 'King Philip' by colonists, he led a Native American uprising against white settlers which resulted in a war that raged for nearly two years, now known as King Philip's War.

August 13, 1961 - The Berlin Wall came into existence after the East German government closed the border between east and west sectors of Berlin with barbed wire to discourage emigration to the West. The barbed wire was replaced by a 12 foot-high concrete wall eventually extending 103 miles (166 km) around the perimeter of West Berlin. The wall included electrified fences, fortifications, and guard posts. It became a notorious symbol of the Cold War. Presidents Kennedy and Reagan made notable appearances at the wall accompanied by speeches denouncing Communism. The wall was finally opened by an East German governmental decree in November 1989 and torn down by the end of 1990.

August 14, 1935 - President Roosevelt signed the Social Security Act establishing the system which guarantees pensions to those who retire at age 65. The Social Security system also aids states in providing financial aid to dependent children, the blind and others, as well as administering a system of unemployment insurance.

Prison Rape Elimination Act (PREA Information)

The Oregon Department of Corrections (ODOC) has a zero-tolerance policy for sexual abuse, sexual harassment and for retaliation for reporting an incident. You may report in person to any staff, through an AIC communication, through the grievance system, by calling the PREA hotline by making a language selection, then dialing 91 from any AIC phone.

Filing an Anonymous PREA Report

If you are uneasy about filing a PREA allegation, you may file an anonymous report with an outside agency. You may write to: Governor's Constituent Services Office 900 Court Street NE, Suite 254 Salem, Oregon 97301

Please indicate in the beginning of your letter you are filing a PREA allegation, and you are requesting to remain anonymous. The Governor's Office will refer all anonymous allegations to the DOC PREA Coordinator to assure an investigation is completed based off the information that is provided.

Opposite Gender Viewing/Announcements

Opposite gender staff announcement themselves when entering a housing unit by ringing a bell. This must be done any time the status quo of the gender supervision on a housing unit changes (if there is already an opposite gender staff on the unit then there is not needed to re-announce). When you hear the doorbell, opposite gender staff will be entering the housing unit so please make sure you are

covered up appropriately.

It is also important you undress in the appropriate locations. If you are in a bunk area, there are cameras throughout the facility so the designated changing/bathroom areas are the only areas you should be without undergarments. Opposite gender viewing may happen incidentally when staff are conducting routine cell checks. You can minimize this by keeping aware of the gender of supervision in your housing unit and ensuring you cover up when possible.

Community-Based PREA Advocacy (Support) Program

ODOC has partnered with community based, confidential advocates of sexual abuse victims to provide services to AICs. AICs at ODOC who have experienced sexual abuse may reach a community-based advocate by making a language selection, entering your AIC PIN, then press 0*711 AIC telephone systems, or may request a private call through the PREA Compliance Manager at the facility.

Advocates provide victims of sexual abuse information about their options, resources,

information, and emotional support. There is no charge for calls to advocates.

The community-based advocacy crisis line is for individuals needing assistance coping with sexual abuse related issues and should not be used for other purposes.

Telephone calls and mail with community-based advocacy centers is considered privileged communication and will be handled like legal calls/official mail. All advocacy calls are not monitored or recorded.

Advocates provide confidential support and crisis intervention, inform you about the investigation and medical examination process, educate you about healing from sexual abuse and offer resources and referrals.

Advocates will not tell you what to do, communicate with the institution unless you request them to do so and sign a release and will not provide legal advice.

Community-based advocacy centers provide sexual abuse support to people of all genders. Community- based advocates will not report unless you request them to do so and if you sign a release of information.

Just Detention International Headquarters is a national advocacy resource and can be reached at: 3325 Wilshire Blvd., Suite 340 Los Angeles, CA 90010

If you have any other questions regarding PREA, you may ask any staff member, write the PREA Compliance Manager at your institution, or you may write:
