GROUP LIVING

Security Gate Reminders:

- 
- No additional clothing items will be going in or out. AICs that work in the laundry are provided with an opportunity to shower and change out the clothes that they wore to work that day. After their shower, they should wear their clean clothes out. If they need clothing exchanged or replaced beyond this, they will need to go through the clothing room. AICs assigned to other areas, are on a call out for evening showers at which time they can exchange their clothing.
 - No bags, laundry bags, backpacks, extra clothes, or any other items are allowed through the security gate. AICs should only have their ID, any medication that they are required to always carry with them, and any appropriate paperwork.
 - AICs that are in educational programs beyond the security gates will be allowed to take the appropriate books and papers. These will be scanned going in and out of the security gate and they should be able to carry them without utilizing a bag or backpack.
 - On Tuesday's, AICs will be allowed to take canteen items to their designated work area for their use the following week. No items are allowed to come back out. This may include a cup, Tupperware dish, pitcher, food items, condiments, and hygiene items.

Winter Yard, AIC Clothing Changes

With the switch to the winter yard schedule effective September 29th, clothing will also change. Shorts are allowed to be worn to the yard during the yard line, while on the yard, an AIC can wear shorts from the rec yard to the pill line but must return to the yard. If the AIC returns to their housing unit, they will forfeit their yard time.

Pants/jeans must be worn at all areas, including but not limited to, visiting, callouts, program areas, job assignments, AIC dining room.

Thermal tops (long johns) can only be worn as an undershirt, must be covered by long sleeves. Tank tops and sleeveless shirts are not allowed as an outer garment. T-shirts must have sleeves.

Sweatpants may be worn if authorized by the Group Living Captain, you must possess a signed authorization memo. AICs in possession of sweatpants without proper authorization will have them confiscated as contraband.

HEALTH SERVICES

Flu and COVID Vaccine Clinics

It is that time again. Beginning in October we'll be offering influenza (flu) and COVID vaccines to everyone. You will be approached by Health Services and asked if you would like a vaccine. We encourage you to say yes.

Both flu and COVID are highly contagious viruses that can lead to serious health issues. They spread through respiratory droplets and can be passed on even before symptoms appear. Vaccines work by making the body's immune system stronger and helping it to recognize and fight viruses. Vaccines reduce the risk of getting sick, and if you do get sick the symptoms are likely to be much milder and shorter in duration. Getting vaccinated helps to not spread flu or COVID to others.

The side effects of vaccines are usually mild, such as tiredness or a sore arm that generally last a day or two. Receiving a yearly vaccine is important, as protection wanes and viruses change over the course of a year, and so newer vaccines are needed to fight them. Getting vaccinated does not give you the illness, the vaccines use inactivated virus components to train your immune system safely. You can receive both flu and COVID vaccines at the same visit, but they will be given in two separate injections. Getting vaccinated is the single most effective way to avoid becoming sick from flu and COVID viruses.

If you have questions regarding vaccines, you are welcome to ask your health care provider.

KOP Medline-

As of September 1, 2025 we will be bringing back the morning in-cell med line or KOP (keep on person) med line. The KOP carts will be on the control floor outside of the fishbowl Monday through Friday during the morning meal and the noon meal. We will do call outs for either 6:15am or 11:15am. The call outs for the KOP line are a notification that you have medication. If you don't make it to your call out time, please feel free to stop by during the other time. For both KOP med lines, you will need to stop on your way to chow. If you wait until after chow to stop by you run the risk that med line will be done for that time slot. KOP med line is over when all the blocks have been called to go to chow.

Electronic Health Record (EHR)

As we move forward with the new electronic health record system (EHR) there will be some changes happening. EHR go live day will be 11/3/25. One change already completed was the clinic names from HS clinic # to HSC #.

Change # 2, will be removing med line call outs for AM line and noon line. We will keep the HS pill line call outs since this line does not run with a meal. We will also keep the special needs line so that they can be called out first. The reason for this change is because Fusion cannot support that many encounters. We will start deleting the call outs next week towards the end of the week.

The first 2 weeks of go live, Health Service will be running on modified status. We need to modify our plan and then we will send out.

LEGAL LIBRARY

Loaned Legal Thumb Drives Issued in 2023

Over the next several weeks, AICs with a loaned legal thumb drive issued in 2023 will be placed on a mandatory callout for document transfers to new thumb drives. Thumb drives will be replaced every two years in accordance with the Removable Media Usage Acknowledgement Statement (CD1761).

REMINDERS:

OAR 291-139-0190(2) indicates that removable media devices are loaned to AICs for the saving and storing of legal documents created using word processing equipment in the law library. Legal documents is defined in OAR 291-139-0110(10). In accordance with that rule, correspondence with legal counsel does not meet the definition of legal documents. Correspondence to counsel may not be typed in the library and may not be saved to a DOC thumb drive assigned for AIC use. If you have correspondence with your attorney saved to your assigned library thumb drive. You will need to print and delete correspondence from your assigned library thumb drive to bring your thumb drive in to compliance.

AICs are limited to two levels of folders on the loaned thumb drives. See example below.

Example of 2 folder levels - Authorized:

Example of 3 folder levels – NOT authorized:

Custody Level/Non-Cash Incentive Level Correct Routing

Custody Levels: Determine which facility an AIC can be housed at, as well as other uses.

- All custody level questions need to be directed to your correctional counselor.

Non-Cash Incentive (NCI) Levels: Provide tiered access to services and privileges.

- For example, AICs at NCI Level 1 (Orange ID card) have a lower canteen purchase limit than those at NCI Level 3 (reflective sticker on ID).
- NCI Level 3 is one of the criteria to be housed in A-Block and in Sub-C.
- Directed to Lieutenant K. Brown NOT Correctional Counselors.
