

Orientations

These sessions are in partnership with Oregon Citizens United for Rehabilitation of Errants (CURE). By attending, family and friends will be better equipped to understand and support their loved ones.

The 4-session series will provide an opportunity to hear from the Reentry & Release Team, Intake & Assessment Team, Institution Counselor Team, and Community Corrections. They will be sharing information about the services they provide and how they assist with preparation throughout incarceration and once in the community.

The following teams will be joining the Reentry & Release Community Outreach Sessions as follows:

First Tuesday of:

February: Reentry and Release

May: Intake and Assessment

August: Institution Counselor Team

November: Community Corrections

Intake and Release Orientations

While the Intake and Release Orientations are only held formerly once per year you can always find help by contacting Oregon CURE with your questions.

There is a good amount of information on the ODOC website about the Intake process.

Release Information varies some with each county. Contact the county Parole and Post Prison division the person is releasing to for particulars.

Our goal is to help you learn how you can get through your loved one's incarceration. Maintaining family contact is vital to your loved one's time in prison and upon release.

Support Groups

Oregon CURE support groups are intended for adult family members and friends only. Some topics of discussion may not be suitable for small children or pre-teens. Attend a support group and network with family members who have "been there" and who can help you gain
