To: All Adults in Custody

From: DOC Director Michael Reese

Date: July 29, 2025

The Oregon Department of Corrections (DOC) has been making major improvements to healthcare for adults in custody (AICs) by bringing in experts, increasing staff, and updating operations.

The Health Services Division has already made several changes to the Therapeutic Levels of Care (TLC) process that remove delays in access to care. Offsite medical scheduling has been reorganized to help address the backlog of needed outside medical trips. DOC is also in the process of switching from using paper medical records for AICs to electronic health records (EHR). The update is a two-phase process and will be fully complete by the end of 2025.

Earlier this year, DOC hired the Falcon Group, a national consulting firm specializing in correctional healthcare, and they have conducted a thorough review of DOC's healthcare system. Falcon has provided DOC with a report of their findings, key observations, and a series of recommendations as part of their report. DOC will take the next 120 days to review the report and determine next steps.

We are committed to providing the care you need while incarcerated. Thank you for your patience and understanding.

The report will be available on AIC tablets and kiosks.

PRCF AIP TRANSFERS -

2024 the decision was made to ensure all Adults in Custody (AIC) participating in the Alternative Incarceration Program (AIP) are transferred to correctional facilities closer to their county of record prior to the beginning of the non-prison leave (NPL). The goal of this change was to ensure individuals releasing from the Oregon Department of Corrections (ODOC) can return to their communities and report for supervision in the most timely, safe, reliable, and efficient manner possible. Earlier this year, conversations began addressing concerns related to AICs not being able to take advantage of the full AIP program due to transferring out up to two weeks prior to their program completion and beginning of their NPL. The concerns were viable, and the department wants to ensure AICs can take full advantage of the services AIP provides. To ensure an AIC can complete the program prior to transferring to a closer facility for release onto NPL, the decision was made to extend the time between the institution program completion date and the date the NPL begins. Reentry and Release personnel, specifically release counselors, will set NPL start dates 14 days after the program completion date. If the NPL start date falls on a weekend or holiday, the NPL start date will be set to the last business day prior to the weekend or holiday. If you have questions related to this process change, please contact your treatment team

FS AIC Info Briefing Oct 2021

Prison Rape Elimination Act (PREA Information)

The Oregon Department of Corrections (ODOC) has a zero-tolerance policy for sexual abuse, sexual harassment and for retaliation for reporting an incident. You may report in person to any staff, through an AIC communication, through the grievance system, by calling the PREA hotline by making a language selection, then dialing 91 from any AIC phone.

Filing an Anonymous PREA Report

If you are uneasy about filing a PREA allegation, you may file an anonymous report with an outside agency. You may write to: Governor's Constituent Services Office 900 Court Street NE, Suite 254 Salem, Oregon 97301

Please indicate in the beginning of your letter you are filing a PREA allegation, and you are requesting to remain anonymous. The Governor's Office will refer all anonymous allegations to the DOC PREA Coordinator to assure an investigation is completed based off the information that is provided.

Opposite Gender Viewing/Announcements

Opposite gender staff announcement themselves when entering a housing unit by ringing a bell. This must be done any time the status quo of the gender supervision on a housing unit changes (if there is already an opposite gender staff on the unit then there is not needed to re-announce). When you hear the doorbell, opposite gender staff will be entering the housing unit so please make sure you are covered up appropriately.

It is also important you undress in the appropriate locations. If you are in a bunk area, there are cameras throughout the facility so the designated changing/bathroom areas are the only areas you should be without undergarments. Opposite gender viewing may happen incidentally when staff are conducting routine cell checks. You can minimize this by keeping aware of the gender of supervision in your housing unit and ensuring you cover up when possible.

Community-Based PREA Advocacy (Support) Program

ODOC has partnered with community based, confidential advocates of sexual abuse victims to provide services to AICs. AICs at ODOC who have experienced sexual abuse may reach a community-based advocate by making a language selection, entering your AIC PIN, then press 0*711 AIC telephone systems, or may request a private call through the PREA Compliance Manager at the facility. Advocates provide victims of sexual abuse information about their options, resources,

information, and emotional support. There is no charge for calls to advocates.

The community-based advocacy crisis line is for individuals needing assistance coping with sexual abuse related issues and should not be used for other purposes.

Telephone calls and mail with community-based advocacy centers is considered privileged communication and will be handled like legal calls/official mail. All advocacy calls are not monitored or recorded.

Advocates provide confidential support and crisis intervention, inform you about the investigation and medical examination process, educate you about healing from sexual abuse and offer resources and referrals.

Advocates will not tell you what to do, communicate with the institution unless you request them to do so and sign a release and will not provide legal advice.

Community-based advocacy centers provide sexual abuse support to people of all genders. Community-based advocates will not report unless you request them to do so and if you sign a release of information.

Just Detention International Headquarters is a national advocacy resource and can be reached at: 3325 Wilshire Blvd., Suite 340 Los Angeles, CA 90010

If you have any other questions regarding PREA, you may ask any staff member, write the PREA Compliance Manager at your institution, or you may write:

Ericka Sage PREA Coordinator Oregon Department of Corrections 3723 Fairview Industrial Drive, SE Salem, OR 97302
