MAILROOM NEWS

On January 15, 2026, ICSolutions rolled out a new feature where an automated message is now generated from the AIC's account each time a friend/family member accepts the invite to be added as a messaging contact. This message reads "We are now connected. Let's chat." This is not a message that comes from ODOC. ODOC does not have the ability to send messages to or from AIC or friends/family members accounts.

SEASONAL ICE-MELT TRAINING FOR GROUNDS CREWS

TRAINING #1 - Care of Spreader and Ice Melt Product - *NOTE* Spreaders range in price from \$150 to \$500* To avoid breaking spreader, please make sure ice melt is stored in a dry area and bag is closed to avoid clumping. Put on rubber gloves and break-up clumps before use in spreader so spreader blades do not break. To avoid using too much ice melt. Place spreader on the setting that sends out the least amount of ice melt. One cup of ice melt equals one driveway or ten (10) sidewalk squares. More is NOT best!

GROUNDHOG DAY FACTS

Did you know???

Groundhog day, held annually on February 2nd, stems from German lore brought to Pennsylvania, where a groundhog's shadow predicts the winter season's end.

Shadow = 6 more weeks of winter
