# What's all the buzz about?

Honeybees are responsible for approximately 80% of all fruit, vegetable and seed crops in the U.S. Beekeepers have recently been experiencing unexplained colony collapse, a complete disappearance of bees from a hive. As part of the ODOC's sustainability project, Powder River is offering an apprenticeship level beekeeping program. The beekeeping program will be a yearlong course that is a combination of class room and hands on learning and maintaining of honey bee hives. Upon completion of the apprenticeship program you will be certified through the Washington Master Beekeeping Program and would be eligible to continue the journeyman and master levels through the Oregon State University (OSU) after release.

Minimum Requirements: one year left before release date or entering treatment; **must be outside cleared**; must have GED or enrolled to obtain GED; incentive 3 level preferably; **NO known bee allergies**.

Cost: **\$20.00 for workbook.** CD28 Instructions:

- a. Purpose: Bee Keeping Class
- b. Payable to: PRCF Art #2480

Classes start in March, 2026

If classes conflict with your work assignment, you must arrange with Work Supervisor to attend classes.

Please keep in mind that this will be an educational course and will not be counted as work, you will receive PRAS points at the level of any other education program.

**To enroll please send a communication and complete a CD28 to Mr. Kennedy by 28 February, 2026**

# SEASONAL RECRUITMENT

## Adults in Custody Fire Team

Do you need a job skill? Would you like to work in the forest? Do you want to be trained to fight wildland fires? Then you need to apply to be a part of the DOC's Adults in Custody Fire Team.

To qualify for this exciting opportunity, you:

- Must be a Classification Level 1 Unfenced.
- Your projected **release date or start date of eligibility window for treatment program** should be after **10/01/26**.
- AICs in treatment program **CANNOT** participate in the fire crew at this time.
- You must be medically approved to work in the forest. You must be reasonably fit to perform the duties of the assignment with no asthma or heart conditions.
- You must be approved by your counselor (**Do not request authorization from your counselor. Please submit application directly to Mr. Kennedy**)
- There are limited training spots.

You will be automatically disqualified if you:

- Have been convicted of a sexual offense, including attempts

Working as a wild land firefighter is long, hard, strenuous work. Pre-qualified candidates must pass the Pack Test (walk 3 miles with 45lbs pack in 45 minutes). If you are selected, you will be trained in wild land firefighting and possibly in chainsaw training. In addition, your training may include various natural resource topics, First Aid and CPR Certification, and Food Handlers card.

The benefits are priceless – you would be working outdoors in a natural setting as part of a team assisting the Oregon Department of Forestry in maintaining healthy forests and protecting them from wild land fires. You will receive a certificate of program completion and upon release you will have a job skill in the wildland fire fighting field. Firefighters earn the following:

- PRAS of **14-17 points per day** (Camp Support 14 and Fire Suppression 17), **plus**

# ELECTRONIC HEALTH RECORD (EHR) UPDATE

## ✓ Pilot Site Success

The new Electronic Health Record (EHR) system has gone live at the pilot site, Oregon State Penitentiary, and it is going well! This is the first step in moving away from paper charts and into a secure and efficient way of keeping health records.

### ☛ Coming Soon: Wave 1 & Wave 2

Additional facilities will start using the EHR in 3 waves. The first wave starts in January 2026.

### ☛ What's Staying the Same

- You will still use **paper kytes** to request healthcare services.
- **Kytes** will continue to be answered and returned to you.
- A limited paper chart for dental care will remain in use for now, until the electronic system is fully ready.

### † WHAT TO EXPECT †

As the EHR goes live at your facility, here's what you'll notice:

- **Signature pads** will be used when signing for KOP (Keep on Person) medications.
- **No paper charts** will be used during health services appointments. Your information will be entered directly into the EHR.
- **Dental services** will continue to use a small paper chart for special exams until their electronic system is ready.

### ☛ What's New for Medlines?

- Barcode scanning will now be used to check ID cards and medication cards.
- This makes the process faster and helps ensure accuracy when medications are given.

### ? Questions About EHR?

If you have questions about the new system, you can send a kyte addressed to ASK EHR. Staff will respond to help you understand the changes.

## **Prison Rape Elimination Act (PREA) Information**

The Oregon Department of Corrections (ODOC) has a zero-tolerance policy for sexual abuse, sexual harassment and for retaliation for reporting an incident. You may report in person to any staff, through an AIC communication, through the grievance system, by calling the PREA hotline by making a language selection, then dialing 91 from any AIC phone.

### **Filing an Anonymous PREA Report**

If you are uneasy about filing a PREA allegation, you may file an anonymous report with an outside agency. You may write to: Governor's Constituent Services Office 900 Court Street NE, Suite 254 Salem, Oregon 97301

Please indicate in the beginning of your letter you are filing a PREA allegation, and you are requesting to remain anonymous. The Governor's Office will refer all anonymous allegations to the DOC PREA Coordinator to assure an investigation is completed based off the information that is provided.

### **Opposite Gender Viewing/Announcements**

Opposite gender staff announcement themselves when entering a housing unit by ringing a bell. This must be done any time the status quo of the gender supervision on a housing unit changes (if there is already an opposite gender staff on the unit then there is not needed to re-announce). When you hear the doorbell, opposite gender staff will be entering the housing unit so please make sure you are covered up appropriately.

It is also important you undress in the appropriate locations. If you are in a bunk area, there are cameras throughout the facility so the designated changing/bathroom areas are the only areas you should be without undergarments. Opposite gender viewing may happen incidentally when staff are conducting routine cell checks. You can minimize this by keeping aware of the gender of supervision in your housing unit and ensuring you cover up when possible.

### **Community-Based PREA Advocacy (Support) Program**

ODOC has partnered with community based, confidential advocates of sexual abuse victims to provide services to AICs. AICs at ODOC who have experienced sexual abuse may reach a community-based advocate by making a language selection, entering your AIC PIN, then press 0\*711 AIC telephone systems, or may request a private call through the PREA Compliance Manager at the facility.

Advocates provide victims of sexual abuse information about their options, resources, information, and emotional support. There is no charge for calls to advocates.

The community-based advocacy crisis line is for individuals needing assistance coping with sexual abuse related issues and should not be used for other purposes.

Telephone calls and mail with community-based advocacy centers is considered privileged communication and will be handled like legal calls/official mail. All advocacy calls are not monitored or recorded.

Advocates provide confidential support and crisis intervention, inform you about the investigation and medical examination process, educate you about healing from sexual abuse and offer resources and referrals.

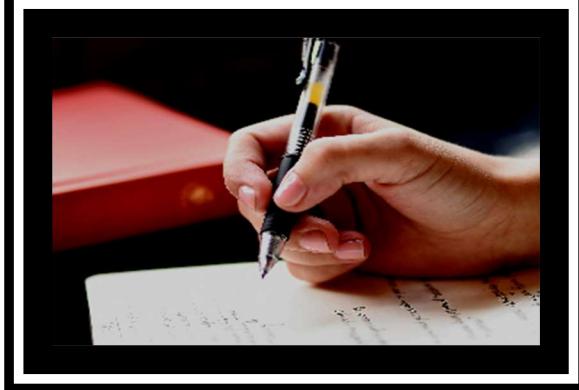

Advocates will not tell you what to do, communicate with the institution unless you request them to do so and sign a release and will not provide legal advice.

Community-based advocacy centers provide sexual abuse support to people of all genders. Community- based advocates will not report unless you request them to do so and if you sign a release of information.

Just Detention International Headquarters is a national advocacy resource and can be reached at: 3325 Wilshire Blvd., Suite 340 Los Angeles, CA 90010

If you have any other questions regarding PREA, you may ask any staff member, write the PREA Compliance Manager at your institution, or you may write:

Ericka Sage PREA Coordinator Oregon Department of Corrections 3723 Fairview Industrial Drive, SE Salem, OR 97302

## **VICTIM SERVICES PROGRAMS**

### **RESPONSIBILITY**

### **LETTER BANK**

The Responsibility Letter Bank is a structured letter writing process that provides adults in custody (AIC) with the opportunity to demonstrate responsibility for their crimes and express remorse for the harm they may have caused.

The program provides crime victims/survivors with the choice to receive information in a safe manner.

- ◆ AIC's may initiate the process by applying to participate in the program
- ◆ Crime victims/survivors may inquire with Victim Services to find if they have a letter available for them
- ◆ Victims are not contacted about the availability of a letter if they have not registered with the Bank through Victim Services
- ◆ Victims decide whether or not they wish to receive a responsibility letter and whether or not the AIC is informed that the victim received or read the letter
- ◆ Participation does not constitute permission for the AIC to make additional contact
- ◆ Victims may choose to respond to a responsibility letter through the program, however, further correspondence requires the approval to participate in the FDP
- ◆ Letters will be reviewed by the Victim Services Program for appropriateness
- ◆ Accepted AIC letters will be deposited in the Responsibility Letter Bank maintained by Victim Services
- ◆ Letters are voluntary and will not affect an AICs good time, release date, or post-prison conditions

To request additional information about the Responsibility Letter Bank, please contact Victim Services at:

**DOC Headquarters**  
**Victim Services- Responsibility Letter Bank**  
**3723 Fairview Industrial Drive SE Suite 200**
