What's all the buzz about?

The beekeeping program will be a yearlong course that is a combination of class room and hands on learning and maintaining of honey bee hives. Upon completion of the apprenticeship program you will be certified through the Washington Master Beekeeping Program and would be eligible to continue the journeyman and master levels through the Oregon State University (OSU) after release.

Minimum Requirements: one year left before release date or entering treatment; **must be outside cleared**; must have GED or enrolled to obtain GED; incentive 3 level preferably; **NO known bee allergies.**

Stored Holiday Commissary

The 2025 holiday spending period will be from Monday December 1st, 2025 through Friday January 2nd, 2026.

Due to the spending limit increase during the holiday season for incentive levels 1 thru 3, many adults in custody will acquire more canteen items and subsequently find they do not have enough room to store these items properly.

For this time period only, December 1st, 2025 through February 2nd, 2026 you will be allowed to store one large bag of holiday canteen items in your assigned mud locker.

You will be responsible for maintaining the level of sanitary conditions outlined in the AIC Handbook.

If you decide to store holiday canteen items in your mud locker and items come up missing, it **will not** be DOC/PRCF's responsibility to replace these items.

On February 2nd, 2025 you will be responsible for returning all unused holiday canteen items to your assigned bunk drawers/footlockers as outline in the PRCF AIC Handbook. Any canteen left in mud lockers after February 2nd will be confiscated.

FS AIC Info Briefing November 2026

ELECTRONIC HEALTH RECORD (EHR) UPDATE

✓ Pilot Site Success

The new Electronic Health Record (EHR) system has gone live at the pilot site, Oregon State Penitentiary, and it is going well! This is the first step in moving away from paper charts and into a secure and efficient way of keeping health records.

📢 Coming Soon: Wave 1 & Wave 2

Additional facilities will start using the EHR in 3 waves. The first wave starts in January 2026.

📋 What's Staying the Same

- You will still use **paper kytes** to request healthcare services.
- Kytes will continue to be answered and returned to you.
- A limited paper chart for dental care will remain in use for now, until the electronic system is fully ready.

⚡ WHAT TO EXPECT ⚡

As the EHR goes live at your facility, here's what you'll notice:

- 📝 **Signature pads** will be used when signing for KOP (Keep on Person) medications.
- 📄 **No paper charts** will be used during health services appointments. Your information will be entered directly into the EHR.
- 🦷 **Dental services** will continue to use a small paper chart for special exams until their electronic system is ready.

📄 What's New for Medlines?

- Barcode scanning will now be used to check ID cards and medication cards.
- This makes the process faster and helps ensure accuracy when medications are given.

? Questions About EHR?

If you have questions about the new system, you can send a kyte addressed to ASK EHR. Staff will respond to help you understand the changes.

Prison Rape Elimination Act (PREA Information)

The Oregon Department of Corrections (ODOC) has a zero-tolerance policy for sexual abuse, sexual harassment and for retaliation for reporting an incident. You may report in person to any staff, through an AIC communication, through the grievance system, by calling the PREA hotline by making a language selection, then dialing 91 from any AIC phone.

Filing an Anonymous PREA Report

If you are uneasy about filing a PREA allegation, you may file an anonymous report with an outside agency. You may write to: Governor's Constituent Services Office 900 Court Street NE, Suite 254 Salem, Oregon 97301

Please indicate in the beginning of your letter you are filing a PREA allegation, and you are requesting to remain anonymous. The Governor's Office will refer all anonymous allegations to the DOC PREA Coordinator to assure an investigation is completed based off the information that is provided.

Opposite Gender Viewing/Announcements

Opposite gender staff announcement themselves when entering a housing unit by ringing a bell. This must be done any time the status quo of the gender supervision on a housing unit changes (if there is already an opposite gender staff on the unit then there is not needed to re-announce). When you hear the doorbell, opposite gender staff will be entering the housing unit so please make sure you are covered up appropriately.

It is also important you undress in the appropriate locations. If you are in a bunk area, there are cameras throughout the facility so the designated changing/bathroom areas are the only areas you should be without undergarments. Opposite gender viewing may happen incidentally when staff are conducting routine cell checks. You can minimize this by keeping aware of the gender of supervision in your housing unit and ensuring you cover up when possible.

Community-Based PREA Advocacy (Support) Program

ODOC has partnered with community based, confidential advocates of sexual abuse victims to provide services to AICs. AICs at ODOC who have experienced sexual abuse may reach a community-based advocate by making a language selection, entering your AIC PIN, then press 0*711 AIC telephone systems, or may request a private call through the PREA Compliance Manager at the facility. Advocates provide victims of sexual abuse information about their options, resources,

information, and emotional support. There is no charge for calls to advocates.

The community-based advocacy crisis line is for individuals needing assistance coping with sexual abuse related issues and should not be used for other purposes.

Telephone calls and mail with community-based advocacy centers is considered privileged communication and will be handled like legal calls/official mail. All advocacy calls are not monitored or recorded.

Advocates provide confidential support and crisis intervention, inform you about the investigation and medical examination process, educate you about healing from sexual abuse and offer resources and referrals.

Advocates will not tell you what to do, communicate with the institution unless you request them to do so and sign a release and will not provide legal advice.

Community-based advocacy centers provide sexual abuse support to people of all genders. Community-based advocates will not report unless you request them to do so and if you sign a release of information.

Just Detention International Headquarters is a national advocacy resource and can be reached at: 3325 Wilshire Blvd., Suite 340 Los Angeles, CA 90010

If you have any other questions regarding PREA, you may ask any staff member, write the PREA Compliance Manager at your institution, or you may write:

VICTIM SERVICES PROGRAMS

RESPONSIBILITY LETTER BANK

The Responsibility Letter Bank is a structured letter writing process that provides adults in custody (AIC) with the opportunity to demonstrate responsibility for their crimes and express remorse for the harm they may have caused.

The program provides crime victims/survivors with the choice to receive information in a safe manner.

- ◆ AIC's may initiate the process by applying to participate in the program
- ◆ Crime victims/survivors may inquire with Victim Services to find if they have a letter available for them
- ◆ Victims are not contacted about the availability of a letter if they have not registered with the Bank through Victim Services
- ◆ Victims decide whether or not they wish to receive a responsibility letter and whether or not the AIC is informed that the victim received or read the letter
- ◆ Participation does not constitute permission for the AIC to make additional contact
- ◆ Victims may choose to respond to a responsibility letter through the program, however, further correspondence requires the approval to participate in the FDP
- ◆ Letters will be reviewed by the Victim Services Program for appropriateness
- ◆ Accepted AIC letters will be deposited in the Responsibility Letter Bank maintained by Victim Services
- ◆ Letters are voluntary and will not affect an AICs good time, release date, or post-prison conditions

To request additional information about the Responsibility Letter Bank, please contact Victim Services at:
