# GROUP LIVING

## PREA

In 2003 the federal government enacted the Prison Rape Elimination Act (PREA). In May 2012, the US Department of Justice released its final rule in accordance with PREA. The purpose of this law is to reduce sexual abuse and sexual harassment in confinement settings by focusing on prevention, detection, and response.

The Oregon Department of Corrections fully supports the guidelines set forth in this law and remains committed to a zero-tolerance policy for sexual abuse and sexual harassment and retaliation for reporting an incident. Sexual abuse or harassment from other AICs or staff is never okay and never your fault.

There are some key things you can do to protect yourself from being a victim.

- Avoid isolated or secluded areas
- Be aware of your body language
- Never share personal information
- Never borrow canteen items
- Never accept gifts from another AIC
- Be cautious of AICs offering to protect you
- Report all acts of violence against you

If you are the victim of sexual abuse or sexual harassment, your best defense is to report the incident as quickly as possible. There are multiple ways to report, including reporting anonymously.

- In person to any staff
- Through an AIC communication
- Through the grievance system
- Call the Inspector General's Hotline (Pick up handset, make language selection and dial "91")
- Write the Governor's Office (State Capitol, Room Suite 254, 900 Court St., Salem, Oregon 97301), and you can request to remain anonymous
- Friends or family can report on your behalf (877- 831-0389)

You can be assured that the information will be received in a confidential manner.

If you have been victimized, it is important to remember not to wash away the evidence.

- Don't shower
- Don't remove or wash your clothes
- Don't brush your teeth

The Department of Corrections rules prohibit any form of sexual activity. Beyond rules, forced or coerced

sexual behavior is a criminal offense and the department will take every action possible to hold perpetrators accountable, including prosecution resulting in additional time in prison.

## **HEALTH SERVICES**

### **STD Education and Testing**

So, to clarify some information:

Some of you are on very expensive medications, whether it be for Cardiac, diabetes, MAT, Mental Health, GI issues, pulmonary issues etc. If the DOC follows certain criteria we in return get a discount on these expensive medications. Thus, allowing us to be able to use the best medications on the market for your health. One of the criteria is STD education and offering of STD testing. Which is why some of you will receive a booklet regarding STDs. We are not singling anyone out. You get your booklet and are offered testing. It is then documented. The criteria is then met. What do a lot of these medications and STDs have in common, who knows. But if DOC can acquire the newest and better medications on the market for our patients by doing this simple thing then that's what we will do.

As always, STD testing is always free and available anytime. Just send a kyte. If you are awaiting results of your testing, please send me a kyte, as with this new system I'm not sure who has, hasn't, or needs to be informed and I can get you scheduled. If you have a parole date coming up quickly, please mention that so I can make sure and get you schedule quicker.

## **POINT TO PONDER**

## Correctional Services Division | Legal and Library Services

# Assigned Network Storage Space

DOC is making an important change to how adults in custody (AICs) use legal resources on AICnet workstations. From now on, each AIC will have their own personal login. This update will help improve security, track use more clearly, and make online services easier to access.

### What's Changing:

- **Individual Logins:** Every AIC will have their own username and password.
- **Storage:** Each login has network storage capability.
- **Improved Security & Reliability:** The new storage system is more secure and dependable.
- **Location-Based Availability:** Storage access may change depending on the facility or area.

### Why This Matters:

- **Better Data Protection:** Individual logins help keep data safe and prevent unauthorized access.
- **Improved User Experience:** AICs can always reach their own files and resources.

Effective March 3rd, 2026, the Oregon Department of Corrections will begin requiring AICs at OSP to transfer authorized legal documents stored on their assigned removable media device (RMD) from the Legal Library onto a network storage space as assigned by staff in accordance with OAR 291-139-0190.

Due to inherent security risks associated with RMDs, AICs will be required to transfer all documents stored on their assigned drive(s) to an assigned network storage space by July 1, 2026.

In an effort to minimize disruption and accidental loss of data, Library Coordinators shall securely store previously assigned RMDs for 21 days. If, after 21 days, no report of missing or corrupt data has been made, the Library Coordinator shall dispose of the RMD in accordance with ODOC [Policy 60.3.2 \(III\)\(e\)](#).

AICs who do not comply with this directive shall lose access to their assigned RMD but may choose to either mail out their assigned RMD from the Law Library via USPS to a location of their choosing or purchase a one-time print of all documents that do not pose a significant security risk. An AIC may go into debt to purchase an envelope or a single copy of documents.
