**THOUGHTS TO PONDER A SLOW THAW IS STILL A THAW-** Progress doesn't always show up quickly. Sometimes, it's quiet-like the slow warming of a late winter day. Maybe you're learning patience, building self-control, or practicing a new skill. You might not see immediate results, but every small step matters. Even a brief moment of restraint or reflection adds to the momentum of change.

The world doesn't hurry Spring along, and neither do you need to rush your growth. Small, steady actions will carry you forward.

**\*\*GROWTH DOESN'T HAPPEN ALL AT ONCE. IT HAPPENS ONE STEADY CHOICE AT TIME\*\***
