GROUP LIVING

Prison Rape Elimination Act (PREA Information)

The Oregon Department of Corrections (ODOC) has a zero tolerance policy for sexual abuse, sexual harassment and retaliation for reporting an incident. You may report in-person to any staff member, through an AIC communication, through the grievance system, or by calling the PREA hotline by making a language selection, then dialing 91 from any AIC phone. Additionally, you may report an allegation through the AIC Tablet System

Filing an Anonymous PREA Report

If you are uneasy about filing a PREA allegation, you may file an anonymous report with an outside agency.

You may write to:

Governor's Constituent Services Office
900 Court Street NE, Suite 254
Salem, Oregon 97301

Please indicate in the beginning of your letter you are filing a PREA allegation, and you are requesting to remain anonymous. The Governor's Office will refer all anonymous allegations to the DOC PREA Coordinator to ensure an investigation is completed based off the information that is provided.

Opposite Gender Viewing/Announcements

Opposite gender staff announce themselves when entering a housing unit by ringing a bell. This must be done anytime the status quo of the gender supervision on a housing unit changes (if there is already an opposite gender staff on the unit then there is no need to re-announce). When you hear the doorbell, opposite gender staff will be entering the housing unit so please make sure you are covered up appropriately.

It is also important you undress in the appropriate locations. If you are located in a bunk area, there are cameras throughout the facility so the designated changing/bathroom areas are the only areas you should be without undergarments. Opposite gender viewing may happen incidentally when staff are conducting routine cell checks. You can minimize this by staying aware of the gender of supervision in your housing unit and ensuring you cover up when possible.

Community-Based PREA Advocacy (Support) Program

ODOC has partnered with community-based, confidential advocates of sexual abuse victims to provide services to AICs.

AICs in ODOC who have experienced sexual abuse may reach a community-based advocate by making a language selection, entering your AIC PIN, then pressing 0*711 on the AIC telephone systems, or may request a private call through the PREA Compliance Manager at the facility. Advocates provide victims of sexual abuse information about their options, resources, and emotional support. There is no charge for calls to advocates.

The community-based advocacy crisis line is for individuals needing assistance coping with sexual abuse related issues and should not be used for other purposes.

Telephone calls and mail with community-based advocacy centers is considered privileged communication and will be handled similar to legal calls/official mail. Advocacy calls are not monitored or recorded.

Advocates provide confidential support and crisis intervention, inform you about the investigation and medical examination process, educate you about healing from sexual abuse and offer resources and referrals

Advocates will not tell you what to do, communicate with the institution unless you request them to do so and sign a release and will not provide legal advice.

Community-based advocacy centers provide sexual abuse support to people of all genders. Community-based advocates will not report unless you request them to do so and if you sign a release of information.

Just Detention International Headquarters is a national advocacy resource and can be reached at:
3325 Wilshire Blvd., Suite 340
Los Angeles, CA 90010

If you have any other questions regarding PREA, you may ask any staff member, write the PREA Compliance Manager at your institution, or you may write:

HEALTH SERVICES

STD Education and Testing

So, to clarify some information:

Some of you are on very expensive medications, whether it be for Cardiac, diabetes, MAT, Mental Health, GI issues, pulmonary issues etc. If the DOC follows certain criteria we in return get a discount on these expensive medications. Thus, allowing us to be able to use the best medications on the market for your health. One of the criteria is STD education and offering of STD testing. Which is why some of you will receive a booklet regarding STDs. We are not singling anyone out. You get your booklet and are offered testing. It is then documented. The criteria is then met. What do a lot of these medications and STDs have in common, who knows. But if DOC can acquire the newest and better medications on the market for our patients by doing this simple thing then that's what we will do.

As always, STD testing is always free and available anytime. Just send a kyte. If you are awaiting results of your testing, please send me a kyte, as with this new system I'm not sure who has, hasn't, or needs to be informed and I can get you scheduled. If you have a parole date coming up quickly, please mention that so I can make sure and get you schedule quicker.

Assigned Network Storage Space

DOC is making an important change to how adults in custody (AICs) use legal resources on AICnet workstations. From now on, each AIC will have their own personal login. This update will help improve security, track use more clearly, and make online services easier to access.

What's Changing:

- **Individual Logins:** Every AIC will have their own username and password.
- **Storage:** Each login has network storage capability.
- **Improved Security & Reliability:** The new storage system is more secure and dependable.
- **Location-Based Availability:** Storage access may change depending on the facility or area.

Why This Matters:

- **Better Data Protection:** Individual logins help keep data safe and prevent unauthorized access.
- **Improved User Experience:** AICs can always reach their own files and resources.

Effective March 3rd, 2026, the Oregon Department of Corrections will begin requiring AICs at OSP to transfer authorized legal documents stored on their assigned removable media device (RMD) from the Legal Library onto a network storage space as assigned by staff in accordance with OAR 291-139-0190.

Due to inherent security risks associated with RMDs, AICs will be required to transfer all documents stored on their assigned drive(s) to an assigned network storage space by July 1, 2026.

In an effort to minimize disruption and accidental loss of data, Library Coordinators shall securely store previously assigned RMDs for 21 days. If, after 21 days, no report of missing or corrupt data has been made, the Library Coordinator shall dispose of the RMD in accordance with ODOC [Policy 60.3.2 \(III\)\(e\)](#).

AICs who do not comply with this directive shall lose access to their assigned RMD but may choose to either mail out their assigned RMD from the Law Library via USPS to a location of their choosing or purchase a one-time print of all documents that do not pose a significant security risk. An AIC may go into debt to purchase an envelope or a single copy of documents.

Choose healthful foods from all food groups to power your day with a variety of nutrients. Fuel your body with energy by using these tips:

- Vary your nutrition by requesting the Meat-Alternative Tray (MAT), at lunch and dinner, throughout the week.
- Request peanut butter at breakfast or beans at lunch and dinner to replace the meat entrée.
- Request fruit instead of dessert.
- Choose commissary foods with the heart icon for heart-healthy options.
- Eat a variety from all food groups including grains, protein, fruits, vegetables, and dairy or calcium-rich foods.
 - **Grains:** Cereals like oatmeal, bread, rice, pasta, tortillas, popcorn, etc. Make half your grains whole grains for added nutrients by choosing 100% whole wheat products or brown rice.
 - **Protein:** Lean meat, poultry without skin, fish, eggs, beans, peas, lentils, nuts, seeds, etc.
 - **Fruits & Vegetables:** Eat a rainbow for a variety of nutrients.
 - **Dairy or calcium-rich foods:** Nonfat or low-fat milk, yogurt, cheese or fortified milk alternatives, broccoli, sunflower seeds, almonds, etc.

Financial Services

Informational Briefing

*Processing AIC Financial Transactions
Group Activity Events & Request For Withdrawal of Funds (CD28s/CD28Ps)*

This briefing is intended to provide Adults in Custody (AICs) & Department staff with a general overview of what to expect when withdrawal requests are submitted for processing.

Plan Ahead

CD28s/CD28Ps must be submitted for processing two weeks prior to an event per DOC Policy 30.1.6, AIC Revenue Generating Activities and Programs. This ensures appropriate levels of service and time to process the CD28s/CD28Ps and collect funds prior to an event.

Per OAR 291-145, Group Activities, AICs with insufficient funds will not be allowed to take part in a group activity that has a cost associated with participation.

Business Services does not hold CD28/CD28Ps.

CD28s/CD28Ps are processed upon receipt by the Business Office. If the workload is high, processing will typically occur within five business days of receipt.

If a CD28/CD28P needs to be processed on or after a specific date, AICs and facilitating staff should submit their requests accordingly.

Responsible Financial Management

When an AIC provides their signature and submits a CD28/CD28P for processing, the AIC is consenting to the withdrawal of funds from their trust account at the time of submission.

The AIC is responsible for tracking and confirming the availability of sufficient funds in their trust account. This includes accounting for any outstanding or pending financial transactions, including, but not limited to, communications transfers, commissary orders, and check requests.

Failure to account for sufficient available funds and/or pending transactions may result in CD28s/CD28Ps being returned due to insufficient funds.

*****IMPORTANT*****

AIC Trust Account information is protected information and should only be accessed by authorized Financial Services staff with access to the Department's AIC Banking System.

Questions?

AICs may submit an AIC Communication form to Business Services (electronic communication option preferred & available on the tablet). Friends and Family may submit questions to dldoctrustinfo@doc.state.or.us.
