VISITING SERVICES CHANGES

You may have heard that DOC, like all other state agencies, is experiencing budget pressures and staffing challenges. Because of this, we need to make some changes. We want you to know that visiting days will be reduced at all facilities in the coming months. If you are in minimum custody, visiting will be on weekends only, unless noted for holidays or special events. If you are in medium custody, visiting will be on two weekdays and on weekends. We know this is difficult news. Visiting is a key part of supporting the well-being of adults in custody, maintaining family ties, and preparing individuals for successful reentry. DOC remains committed to ensuring visits continue to play a meaningful role within our facilities. We are trying to make this a short-term change, not a permanent one. As budget conditions change, we will always be looking for ways to increase visiting options. Adjusting visiting schedules is one of many steps DOC is taking to help manage the budget challenges while we balance maintaining safety and daily operations such as day-rooms, yard times, programming, education, and other operational requirements. **Let your family and friends know they should call or check with the facility to find out the exact visiting days and times or to check our website. They can also sign up for real-time visiting alerts, so they receive text and emails about changes as they happen.** *NOTE: For both SRCI & SRCM, if a holiday falls on a regularly scheduled visiting day, visiting will remain open. Thank you for your patience and understanding.

PICKLEBALL SEASON BEGINS IN MARCH!

The Recreation Department is excited to announce the start of Pickleball season this March at SRCI! Pickleball will be available to the Adults in Custody (AIC) population through complex-specific callouts only based on each complex's operational schedule. Watch for your complex schedule and sign up through Recreation when your callout becomes available. There will be NO Pickleball available during open gym time Callouts. Participation Eligibility: • Authorized for Incentive Level 2 and Incentive Level 3 AICs. • Participants must remain in good standing to continue involvement. • Sign up in advance through call-out list • Commit to scheduled time blocks • Agree to equipment responsibility care. Pickleball is more than just a game—it's an opportunity to improve physical fitness, mental focus, and overall well-being. The sport promotes cardiovascular health, coordination, agility, and positive social interaction. It also provides a structured way to relieve stress, build healthy routines, and practice discipline and teamwork. Participation in recreation programs like Pickleball helps strengthen both individual accountability and community respect. Please remember • **Pickleball is a privilege, not a right** • Good sportsmanship and respectful conduct are required at all times • Equipment must be handled with care to ensure long-term use and availability • A safe, positive, and healthy athletic environment depends on everyone's cooperation. By treating each other and the equipment with respect, we can maintain a program that benefits everyone throughout the season. Let's make this a safe, competitive, and successful Pickleball season!

THOUGHTS TO PONDER *Late winter reminds us that nothing stays frozen forever. Ice thaws, and streams begin to flow again. In life, this is a chance to let go of old grudges, mistakes, or patterns that no longer serve you. Identify one thing you want to leave behind. Then replace it with a small, positive action. It could be a kind word, a new habit, or even just taking a moment to reflect. Over time, these tiny shifts carve a new path forward. Like the ice that melts to reveal new growth, letting go creates space for better choices and fresh opportunities. ***GROWTH DOESN'T HAPPEN ALL AT ONCE. IT HAPPENS ONE STEADY CHOICE AT TIME***-C/O Keele
