SRCI DATA BREECH BRIEFING

ODOC would like to inform Adults in Custody (AIC's) of an unauthorized extraction of DOC data by a former employee. The following information was shared publicly as of May 29, 2026. Notification to impacted individuals will be done by first class mail as soon as possible.

What Happened: On or about January 5, 2026, the Oregon Department of Corrections (DOC) discovered that a former Snake River Correctional Institution (SRCI) employee improperly acquired records between July 7, 2025, and early January 2026. DOC became aware of this data extraction because of an investigation into allegations of serious misconduct by this employee. This data extraction resulted in unauthorized access to personal information. Staff, vendors, adults in custody (AICs), and visitors may be affected.

DOC Director Michael Reese made the following statement: "The actions taken by this employee violated the professional and ethical standards expected of every person who works in our agency. They have been terminated, and we are working with our law enforcement partners to hold them accountable for this data extraction, as well as other serious misconduct. Our employees, adults in custody, and others whose data may have been illegally removed deserve transparency and responsible stewardship of sensitive information, and we are committed to delivering both."

What Information Was Involved: The records contained over 7.5 GB of data, consisting of more than 33,000 files of various types.

What DOC Is Doing: DOC has contracted with a data forensics company to identify those impacted by this data extraction. Notification to these individuals will be done by first class mail. Due to the size of this data extraction and types of files involved, the data forensics work may take several weeks to complete. DOC is also working closely with public safety partners to ensure this former employee is held accountable for their actions.

Your Rights and Recommendations: While the data forensics work is being completed, it is recommended you remain vigilant and consider the following steps: • Monitor your personal records for any unusual activity. • If you are a DOC employee, review your employment records for any unusual activity. • Report suspicious identity theft or fraud to your financial institution or employer immediately. • Consider placing a security freeze or fraud alert with credit reporting agencies if you believe you have been harmed.

For More Information: Information about this data extraction will be updated on a dedicated webpage as more becomes known.

Notification to Authorities: DOC continues to work closely with the Oregon Department of Justice, Oregon State Police, the Oregon Department of Administrative Services, and local law enforcement agencies relating to the criminal investigation for the unauthorized access of personal data. DOC is grateful for their hard work and partnership.

SRCA FUNDRAISER NEWS On behalf of the Snake River Community Alliance Club (SRCA), we would like to say thank you to all the Adults in Custody who were able to donate hygiene items to the local non-profit organization, CASA, which benefits children and young adults in Baker, Grant, Harney, Lake, Malheur, Union, and Wallowa Counties in Eastern Oregon by providing an adult to advocate for their well-being in court. Due to your generosity, Snake River Correctional Institution was able to raise **almost \$1,200** in hygiene items, resulting in 100 hygiene kits and several boxes of additional supplies. On behalf of the SRCA, we would like to express our deepest gratitude to Canteen for assisting us in this at-cost event. We would not have been able to pull this off without their collaboration. We would also like to thank Superintendent Joe Woodland for his support.
