SRCI DATA BREECH BRIEFING

ODOC would like to inform Adults in Custody (AIC's) of an unauthorized extraction of DOC data by a former employee. The following information was shared publicly as of May 29, 2026. Notification to impacted individuals will be done by first class mail as soon as possible.

What Happened: On or about January 5, 2026, the Oregon Department of Corrections (DOC) discovered that a former Snake River Correctional Institution (SRCI) employee improperly acquired records between July 7, 2025, and early January 2026. DOC became aware of this data extraction because of an investigation into allegations of serious misconduct by this employee. This data extraction resulted in unauthorized access to personal information. Staff, vendors, adults in custody (AICs), and visitors may be affected.

DOC Director Michael Reese made the following statement: "The actions taken by this employee violated the professional and ethical standards expected of every person who works in our agency. They have been terminated, and we are working with our law enforcement partners to hold them accountable for this data extraction, as well as other serious misconduct. Our employees, adults in custody, and others whose data may have been illegally removed deserve transparency and responsible stewardship of sensitive information, and we are committed to delivering both."

What Information Was Involved: The records contained over 7.5 GB of data, consisting of more than 33,000 files of various types.

What DOC Is Doing: DOC has contracted with a data forensics company to identify those impacted by this data extraction. Notification to these individuals will be done by first class mail. Due to the size of this data extraction and types of files involved, the data forensics work may take several weeks to complete. DOC is also working closely with public safety partners to ensure this former employee is held accountable for their actions.

Your Rights and Recommendations: While the data forensics work is being completed, it is recommended you remain vigilant and consider the following steps: • Monitor your personal records for any unusual activity. • If you are a DOC employee, review your employment records for any unusual activity. • Report suspicious identity theft or fraud to your financial institution or employer immediately. • Consider placing a security freeze or fraud alert with credit reporting agencies if you believe you have been harmed.

For More Information: Information about this data extraction will be updated on a dedicated webpage as more becomes known.

Notification to Authorities: DOC continues to work closely with the Oregon Department of Justice, Oregon State Police, the Oregon Department of Administrative Services, and local law enforcement agencies relating to the criminal investigation for the unauthorized access of personal data. DOC is grateful for their hard work and partnership.

SRCI NBA FINALS SPECIAL EVENT

At Snake River Correctional Institution, the SRCI Recreation Crew's Special Event Team completed the preparation and distribution of more than 2,800 bags of caramel popcorn for adults in custody throughout the institution. The caramel popcorn was packaged and distributed across all housing units and dormitories for Game 4 of the 2026 NBA Finals. The special treat provides an opportunity for adults in custody to enjoy the championship game, as well as other television programming available during the evening. Events such as these help promote a positive social environment within the facility by providing enjoyable recreational opportunities that bring people together. The effort was well received and is widely appreciated by the institution's population. The Adult in Custody Recreation Crew takes pride in supporting activities that enhance morale and contribute to a positive atmosphere throughout Snake River Correctional Institution.
